4. Click the View Completed Applications link to see your status

**RIVERSIDE FIRE
DEPARTMENT**

FIRE / RESCUE / EMS / HAZMAT

October 2019 Update

Calls for Service:

Medicals - 10
Structure Fire – 2
Traffic Incident – 3

Total calls – 15 calls for service in October

Members were again very busy this month responding to calls all hours of the day. The call volume continues to grow.

Training:

The members of RFD conducted training at the burn building, they covered rural water supply, 2½” hose line operations and forcible entry.

RESA

The raffle dinner was very well attended, between the auction items, 50/50 drawing and sales from the dinner we made around \$9,000. The golf tournament has been cancelled and we will look at possibly having it in the spring.

Other News

The Chief Officer's continue to attend several meetings in regards to the new radio system and the ambulance service. The radio system is making good progress and we're excited to get it up and going in 2020. The members covered fire prevention week activities Oct. 6th – 12th. We had fire station tours for a few classes and also went to the school to talk about fire prevention with the students and show equipment. We also assisted the school with a visit from Air Care at the school. We have some people interested in joining RFD we will be bringing applications over in December for approval.

Thanks
Fire Chief Smothers

COUNCIL PACKET

Date: November 13, 2019

To: Riverside Council

From: Bill Stukey, Operator

O & M Report: October 2019

Water Operation & Maintenance

- Bi-annual hydrant flushing was completed. Most of the lines were clear and had minimal rust or debris. 3rd St. had a large amount of debris and had to be flushed for an extensive amount of time.
- Valve boxes for the Hwy 22 project were inspected. One valve had a broken lid, another was cemented in and a third was filled with gravel. All have been fixed and are operational.
- A valve box was discovered to be bent at Ron's autobody. It is unclear if it was hit during construction or not. I spoke with Triple B and they informed me that it was bent when they got there, but I informed them since they did not call in a locate, I couldn't confirm that, and they would be responsible for fixing it. The curb stop box has been fixed and is functional.
- 5 Door postings, 0 shut off.
- I spoke to the resident at 3123 115th St. about wanting to connect to city water. His sand point is drying up and is inquiring about what it would take to connect to city utilities. This is the second resident this year to approach the city about connecting to city utilities.
- 50 regular locates and 3 emergency locates completed.

Wastewater Operation & Maintenance

- Visu-sewer completed their inspection of the sewer system on Kleopfer and Sycamore St. A copy of the report can be obtained from the city administrator. A copy was also uploaded to Diamond Maps.

COUNCIL PACKET

- Met with MMS to measure and inspect manholes on Hwy 22. All but two manholes were out of spec for height requirements. Triple B will be correcting the height of those six manholes.
- Met with Don Prybil about running water and sewer to a possible development he is building at Vine Ave and Hwy 22.
- Inspected a sewer repair at 451 Hickory. The property has been sold and were requiring cleanouts to be installed within the city right of way. There were no deficiencies noted with the sewer, the cleanouts were installed due to the length of the lateral.

To: Becky LaRoche
Subject: Lego league

Hi Becky,

My lego league team is working on their project for competition and they have chosen the bath rooms at conservation park as their project. They would like to make a presentation to the city council about why it should be redone, and the improvements they Invision. Would we be able to get on an agenda? I am unsure of when the meetings are.

Thanks
Sam

F.L.L. Script 2019

Yaya: Hello, we are Team #31996, from Riverside (Captain Kirk's future birthplace). Our virtual project is to fix the bathroom at Conservation Park in Riverside. The current bathrooms are falling apart. Many things need to be replaced including the siding, toilet seats, and roofing. Along with that, we need to add hand sanitizer, solar powered lights, and an air freshener. You may ask, 'Well who would even use this bathroom?' Many people would use this. There's a hiking trail nearby, and a pond, so hikers and fisherpeople would use this.

Ayden Havel: One of the major things that we need to fix is the roof, because right now there is a plastic roof, and instead We could just put a few 8' foot tin panels on. The price of that will be about \$19 each panel. We would need 2 panels for each side of the roof, so the final cost would be about \$76. We also will need a 10 foot Ridge Cap. The final cost for that will be \$39, so the overall cost right here is around \$115.

Ayden Holden: *shows 3D model and talks about it*

Kenzie: Another main commodity that we need for the bathrooms is lights. We think that solar powered lights would be a great fit for the bathrooms so no one would have to change the light bulbs. The cost of solar powered lights would be about \$43 for a set of two lights. The cost of two sets of solar powered lights would be about \$86.

Landen J: The doors that are on the restrooms now are old wooden and rotting it would be nice if the restrooms could have new doors we are thinking about adding steel doors to the restrooms the cost would be \$372.02. \$186.01 per door.

Ryan: We should add air fresheners because the ones that are in there currently have been dried up for a while. The individual cost of each air freshener would be \$27.99, making the total cost \$55.98

Ady: The urinal and toilet seats as of right now in the men's bathroom have red stains and are cracked. As well as the women's bathroom. The cost for 4 toilet seats is \$49.08. The total cost of the urinal would be \$479.00.

Landon/Dawson B: We are going to need 3 toilet paper dispensers. The women's side need 2 and the men's need 1 and each of them cost \$58.97. The toilet paper dispensers will lock in to secure the toilet paper. So the overall cost would be \$176.91.

Helen [conclusion (last)]: The total cost of everything is just below \$1,350.

COUNCIL PACKET

**Riverside Chamber of Commerce
PO Box 365
Riverside, Iowa 52327**

To the Honorable Mayor and City Council Persons: November 12, 2019

You will see in the attached information that a Chamber of Commerce has been formed in Riverside. Our goals and mission are as follows:

- **To assist in continuing the improvements in downtown Riverside**
- **Research and write grants that will assist us in our efforts**
- **Seek alternate financing sources to assist existing and new businesses in Riverside**
- **Work with the City in supporting continued Capital Improvements.**
- **Provide information to existing businesses about opportunities to improve and increase their exposure in the area.**
- **Provide information concerning training opportunities available to Chamber Members.**
- **Organize events for the Citizens to participate and enjoy**

We come to you today with a request for a financial donation to assist us get our feet on the ground. In most communities the City and Chamber work hand in hand to make their community vibrant and welcoming to new businesses and new residents moving into town.

I want to thank Becky LaRoche for including some information in the last water bill and hopefully she can include information in the future. We would also request that our Walk of Trees be advertised on the City's Marquee sign.

Thank you for your time and consideration in this request.

Sincerely;

Rusty Rogerson, Acting Director

**Riverside Chamber of Commerce
1st Annual Christmas Tree Walk**

When: **December 14-15 4-8pm**
 December 21-22 4-8pm

Where: **Copper Ridge Creek Hwy 22 across from the Riverside Travel Mart**

Cost: **Free to the Public**

To make this possible we are asking businesses to participate, and we have several options from which you can select please make a check mark by the option you select:

_____ \$50 you bring your own tree and decorate it yourself

_____ \$100 donation and your business will be named as a sponsor

_____ \$150 donation and we will get a tree and decorate it for you

_____ \$200 The Streb Construction Challenge:

Steve Streb owner of Streb Construction has donated \$200 if other businesses do the same. So far, the following companies have accepted this challenge. These businesses names will be used in all advertising as presenting sponsors.

- Stransky Concrete**
- Stumpf Construction**
- Wilkinson Pre-cast**
- Riverside Travel Mart**
- Copper Ridge Creek**

We have been seeking donations of tree, lights, ornaments. We will be accepting donations through December 10th. We will even pick them up.

Riverside Chamber of Commerce 1st Annual Christmas Tree Walk

- What:** A Christmas Tree Walk is a chance to see a variety of Christmas Trees decorated by businesses and individuals. It is a fun event where you can see a wide variety styles and shapes.
- When:** Dec 14-15th and Dec 21-22nd from 4-8 pm
- Where:** Copper Ridge Creek Riverside's new venues for wedding receptions and other events
- Cost:** Free to the Public

Bring your family and friends to this beautiful event to celebrate the Holiday Season. There will be free refreshments available and a cash bar. There is still time to get involved by donating trees, lights and ornaments. If you would like a spot to put up your own tree contact us asap by calling Rusty at (319) 430-0484

COUNCIL PACKET

Riverside Chamber of Commerce

PO Box 365
Riverside, Iowa

Dear Riverside Business Person;

November 12, 2019

Recently several new businesses in town met and discussed the possibility of forming a Chamber of Commerce. The purpose of the chamber will be to assist the City in the recruitment and retention of businesses in the Riverside area. A big thanks to the City Council for vastly improving the downtown street scape, but the downtown still needs work. We feel that if we all work together it makes it much easier than a single entity trying to do this work. We are also willing to sear out and write grants and seek other funding methods to make this possible.

We do not expect a lot of meetings at first and more than likely quarterly after that or as necessary. In conversations with Michele Redlinger the Director of Washington's Chamber of Commerce she indicates that she will assist us in any way she can and there have been talks about forming a Washington County Chamber of Commerce in late summer 2020 or early fall.

A second role of the Chamber is plan and conduct special events for the community to enjoy. In the many surveys of Riverside citizens, it always came up that there was never anything to do inn Riverside. We hope we can create events that will get many of our residents involved or at least attend.

We are already planning our first event which will occur on 12/14-15th and 12/21-22nd from 4-8pm. It will be a Christmas tree walk held at Copper Ridge Creek the new venue for wedding receptions and many other kinds of parties. Copper Ridge Creek has graciously offered their building at no cost to the Chamber. We already have several businesses who have decided to place a tree on the walk. More about this opportunity on the next page.

This letter was to introduce you to the Chamber and ask for your involvement. A membership form is attached.

Please contact us at the address above or by calling me at (319) 430-0484.

We look forward to hearing from you;

Sincerely

Rusty Rogerson, Acting Director.

RESOLUTION #111819-02

RESOLUTION APPROVING CHANGE ORDER #21 FOR TRIPLE B CONSTRUCTION, FOR HWY 22 IMPROVEMENTS PROJECT

Whereas, the City of Riverside City at the recommendation of the City Engineering Firm, MMS Consultants, Scott Pottorff and it is the opinion of the City Engineering Firm that the City Council accepts this change order in the amount of \$1480.00.

Therefore, be it resolved the City of Riverside City Council does hereby accept the Change Order #21 in the HWY 22 Improvements Project, for the clean out of ditch at 260 W 1st Street.

It was moved by Councilperson Redlinger, seconded by Councilperson Schnoebelen, to approve the foregoing resolution.

Roll Call: Schneider, Sexton, Rogers, Redlinger, Schnoebelen

Ayes:

Nays:

2245-038

Highway 22 Improvements Project
 Change Order #21

The following changes to the contract are requested to clean out the ditch and improve drainage in front of 260 W 1st Street.

The work is covered by existing bid items and some new bid items. The changes are as follows:

EXISTING BID ITEMS

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Sod	16 SQ	\$60.00	\$960.00

NEW BID ITEMS

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Clean Ditch in Front of 260 W 1st Street	1 LS	\$520.00	\$520.00

TOTAL CHANGE \$1,480.00

Change to the Contract

This change order would change the quantities of the above item in the contract and add the above item to the contract and increase the amount of the contract by \$1,480.00. The completion date for the contract is extended 1 day for completion of this additional work.

Reason for changes

This area had been an issue for the property owner at 260 W 1st Street since a project a few years ago, not being able to maintain it due to standing water and uneven ground. Since work on this project was occurring across the street it was decided to include this remedy work in the project.

RESOLUTION #111819-03

RESOLUTION APPROVING CHANGE ORDER #22 FOR TRIPLE B CONSTRUCTION, FOR HWY 22 IMPROVEMENTS PROJECT

Whereas, the City of Riverside City at the recommendation of the City Engineering Firm, MMS Consultants, Scott Pottorff and it is the opinion of the City Engineering Firm that the City Council accepts this change order in the amount of \$415.00.

Therefore, be it resolved the City of Riverside City Council does hereby accept the Change Order #22 in the HWY 22 Improvements Project, for the addition of erosion stone near box culvert at 608 E Hickory Street

It was moved by Councilperson Redlinger, seconded by Councilperson Schnoebelen, to approve the foregoing resolution.

Roll Call: Schneider, Sexton, Rogers, Redlinger, Schnoebelen

Highway 22 Improvements Project
Change Order #22

The following changes to the contract are requested to add erosion stone to repair some erosion near the box culvert in front of 608 E Hickory Street.

The work is not covered by existing bid items and a price for the work was offered by the Contractor. The changes are as follows:

NEW BID ITEMS

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Erosion Stone at Box Culvert Near 608 E Hickory Street	1 LS	\$415.00	\$415.00
TOTAL CHANGE			\$415.00

Change to the Contract

This change order would add the above item to the contract and increase the amount of the contract by \$415.00.

Reason for changes

During the final walkthrough this area of erosion was discovered. After some discussion on what to do it was decided to install erosion stone riprap to repair and stabilized the eroded area to protect the box culvert and other piping in this area.

November 13, 2019

2245-038

Highway 22 Improvements Project
Change Order #23

The following changes to the contract are requested to grind out the curb of St. Mary's Street to provide a curb cut near the garage at 311 N Ella Street.

The work is not covered by existing bid items and a price for the work was offered by the Contractor. The proposed pricing is attached. The changes are as follows:

NEW BID ITEMS

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Grind Out Curb Cut	1 LS	\$450.00	\$450.00
TOTAL CHANGE			\$450.00

Change to the Contract

This change order would add the above item to the contract and increase the amount of the contract by \$450.00.

Reason for changes

After the curb was poured, the property owner contacted the City to request that a curb cut be installed for the garage at this location. Before the project, there was no curb on that side of St. Mary's Street so they had access to the garage.

RESOLUTION #111819-05

RESOLUTION APPROVING CHANGE ORDER #24 FOR TRIPLE B CONSTRUCTION, FOR HWY 22 IMPROVEMENTS PROJECT

Whereas, the City of Riverside City at the recommendation of the City Engineering Firm, MMS Consultants, Scott Pottorff and it is the opinion of the City Engineering Firm that the City Council accepts this change order in the amount of **\$-6320.36**.

Therefore, be it resolved the City of Riverside City Council does hereby accept the Change Order #24 in the HWY 22 Improvements Project, for changes to contract required by Iowa DOT Specifications for HMA paving on primary highways outlined in Sec. 2303.

It was moved by Councilperson Redlinger, seconded by Councilperson Schnoebelen, to approve the foregoing resolution.

Roll Call: Schneider, Sexton, Rogers, Redlinger, Schnoebelen

Highway 22 Improvements Project
Change Order #24

The following changes to the contract are required per Iowa DOT Standard Specifications for HMA paving on primary highways. The testing of cores of finished pavement to determine field voids is outlined in Section 2303.

The work is not covered by existing bid items and the specifications outline incentive/disincentive for this work. The testing was completed by the Contractor observed by MMS. The test results and incentive/disincentive which apply attached. The changes are as follows:

NEW BID ITEMS

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Field Voids Disincentive	1 LS	-\$6,320.36	-\$6,320.36
TOTAL CHANGE			-\$6,320.36

Change to the Contract

This change order would add the above item to the contract and decrease the amount of the contract by \$6,320.36.

Reason for changes

Since the HMA work is per Iowa DOT Specifications, this incentive/disincentive would apply to this work.

Highway 22 Improvements Project
Change Order #25

The following changes to the contract are required per Iowa DOT Standard Specifications for HMA paving on primary highways. The testing of smoothness of finished pavement is outlined in Section 2316.

The work is not covered by existing bid items and the specifications outline incentive/disincentive for this work. The testing was completed by the Contractor observed by MMS. The test results and incentive/disincentive which apply are attached. The changes are as follows:

NEW BID ITEMS

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
HMA Smoothness Incentive	1 LS	\$3,200.00	\$3,200.00
TOTAL CHANGE			\$3,200.00

Change to the Contract

This change order would add the above item to the contract and increase the amount of the contract by \$3,200.00.

Reason for changes

Since the HMA work is per Iowa DOT Specifications, this incentive/disincentive would apply to this work.

Highway 22 Improvements Project
Change Order #26

The following changes to the contract are requested to relocate sanitary service cleanouts in front of 681 E Hickory Street so that they aren't located within the proposed sidewalk in front

The work is not covered by existing bid items and the contractor offered a price for the work. The changes are as follows:

NEW BID ITEMS

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Relocate Two Sanitary Cleanouts	1 LS	\$1,000.00	\$1,000.00
TOTAL CHANGE			\$1,000.00

Change to the Contract

This change order would add the above item to the contract and increase the amount of the contract by \$1,000.00. The completion date for the contract is extended 2 days for completion of this additional work.

Reason for changes

The cleanouts would have been located in the new sidewalk so they were relocated to be outside of the proposed sidewalk.

Christine Yancey
City Administrator
City of Riverside
P.O. Box 188
Riverside, IA 52327

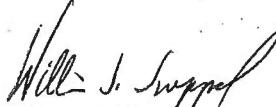

Dear Chris:

You had asked me to clarify the City's responsibility with regard to tree trimming. Section 364.12 of the Iowa Code provides that it is a City's responsibility to keep all public grounds, streets, sidewalks, bridges, etc. in repair and free from nuisance. However, the Code further provides that the City may place the responsibility upon the abutting property owner, by Ordinance, to maintain property outside the lot line and inside the curb lines upon public streets. Therefore, a City is authorized, under the Iowa Code, to adopt an Ordinance requiring the abutting property owner to maintain sidewalks, grass, and trees between the property owner's lot line and the curb.

With regard to trees, the only exception is that the City remains responsible for removing diseased trees or dead wood on any tree that is in publicly owned property or right-of-way. That responsibility cannot be shifted to the property owner.

Please let me know if you need anything further with regard to this matter.

Very truly yours,

William J. Sueppel
