Those wishing to provide comments for the public forum without attending the meeting can submit them by email to [admin@cityofriversideiowa.com](mailto:admin@cityofriversideiowa.com), by phone at 319-648-3501, or in the City Hall dropbox up to 30 minutes prior to the meeting.

## COUNCIL PACKET

RIVERSIDE CITY COUNCIL MEETING: Tuesday, September 8<sup>th</sup>, 2020

The Riverside City Council meeting opened at 6:00 pm at the Fire Station with Mayor Allen Schneider requesting roll call. Council members present were: Andy Rodgers, Edgar McGuire, Lois Schneider, Jeanine Redlinger and Tom Sexton.

Motion by Sexton to approve agenda. Second by Rodgers, passed 5-0.

Rodgers moved to approve the minutes of August 17<sup>th</sup>, 2020, expenditures, and liquor license for RACC demo derby. Second by Redlinger, passed 5-0.

Carol Riggan shared her views on holding a Demo Derby during a pandemic.

Ellis Helmuth returned to Council for permission to hold a fund raising slow pitch tournament at Hall Park. Mayor Schneider asked for a vote of council. Request passed 3-2, Schneider and Redlinger opposed.

Kevin Meller, RACC treasurer, reported on the August movie in the park. They are making plans for one more movie in September and a possible band in October.

Copper Creek owners, Matt and Kelly Wood reviewed the Economic Development Agreement with Council.

Council discussed donating Riverside Ambulance truck to Washington County. Chief Smothers will reach out to them.

Admin Yancey presented grant applications. Rodgers moved to fund three Residential, and two Commercial grants for a total of \$14,126.97. Second by Schneider, passed 5-0.

Council will consider Trick or Treat options at next meeting.

Redlinger moved to pass the 3<sup>rd</sup> and final reading of Ordinance #080320-06, Accepting the Code of Ordinance for the City of Riverside. Second by Rodgers, passed 5-0.

Schneider moved to allow Yancey to attend IMFOA conference in October. Second by Sexton, passed 5-0.

Rodgers moved to pass Resolution #090820-01, Approving Street Financial Report for FY20. Second by McGuire, passed 5-0.

Sexton moved to pass Resolution #090820-02, Approving Transfer of funds for FY21.

\$100,000 from Casino Funds to Capital Projects

\$75,000 from LOST to Capital Projects

\$50,000 from LOST to Capital Projects

Second by Rodgers, passed 5-0.

COUNCIL PACKET

McGuire moved to pass Resolution #090820-03, Forming a Citizen Advisory Committee Task Force. Second by Schneider, passed 5-0.

Rodgers moved to pass Resolution #090820-04, Approving Annual Urban Renewal report for FY20. Second by McGuire, passed 5-0.

Scott Pottorff, MMS Consultants gave updates on the 4<sup>th</sup> Street Project.

Jay Peiffer, J&L Construction, asked for additional working days due to delays from Mid American Gas Company to relocate gas line.

Schneider moved to extend contract by adding 15 working days. Second by McGuire, passed 5-0.

Redlinger moved to pass Resolution #090820-05, Approving Change Order #6 to remove and replace additional driveway at 320 E 4<sup>th</sup> Street. Second by Rodgers, passed 5-0.

Sodding is completed on the Safe Route to School Project. Mayor asked for consideration of painting cross walks to be on next meeting agenda.

Mayor gave update on park improvements Committee meeting. Next public meeting for park improvements will be September 22 at 6:30 pm in Fire Station meeting room.

Yancey is working with FEMA and State applications for COVID-19 funds. Funds for a City Hall generator may take two years.

Redlinger moved to adjourn at 8:14 pm. Second by Rodgers, passed 5-0

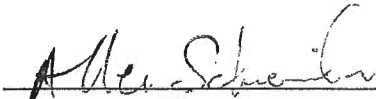

Full content of Council Meetings can be viewed on the City web site; [riversideiowa.gov](http://riversideiowa.gov)

Council Meeting – Monday, September 21<sup>st</sup>, 2020 at 6:00 p.m. at Fire Station.

PARKS Open Meeting - Tuesday, September 22<sup>nd</sup>, 2020 at 6:30 p.m. at Fire Station.

**RIVERSIDE FIRE  
DEPARTMENT**

**FIRE / RESCUE / EMS / HAZMAT**

**August 2020 Update**

**Calls for Service:**

- Medicals - 16
- Structure Fires – 1
- Motor Vehicle Accidents – 2
- Gas Line Hit – 1

**Total calls – 20 calls for service in August**

RFD responded to a mix of calls for the month of July, the call volume has picked back up since the start of COVID.

**Training:**

The members trained water supply, search and rescue, fire attack and hose management. All of this was done out at our training facility and under live fire conditions. The members performed all skills at a high level and continue to always look for improvement and chase perfection.

**RESA:**

The annual raffle dinner that we held at the VFW has been canceled due to COVID. The members have been discussing other options for a fundraiser, maybe some type of silent auction.

**Other News**

The department is working through changes with the new county ambulance service and response times will be coming from Deputy Chief Hancock. The department is still working on some new members to fill openings. The department is looking at replacing the old ambulance vehicle with a pickup type truck with a topper and slideout that holds our medical, grain bin and water rescue equipment. This vehicle will cost roughly \$50,000 from our equipment replacement account. The RESA members will fund \$15,000 that includes the topper, slideout and other accessories and graphics. There will be more on this project in an email and request at a council meeting from Chief Smothers.

**“WE”RE STILL HERE AND READY TO RESPOND”**

Thanks  
Chief Smothers

**RESOLUTION #092120-01**

**RESOLUTION TO SET THE DATE FOR PUBLIC HEARING TO  
UPDATE PARKING ORDINANCE**

**WHEREAS**, the City of Riverside, Iowa, will set the date to hold a public hearing to update Parking Ordinance of the City Code of Ordinance Chapter 69. Hearing will be at the Riverside Fire Station on October 5<sup>th</sup>, 2020, which begins at 6:00 p.m., in the Meeting room, located at 271 E 1<sup>st</sup> Street, Riverside, Iowa.

**THEREFORE, BE IT RESOLVED**, The City of Riverside City Council, hereby approves the date for the Public Hearing.

**IT WAS MOVED BY** Councilperson \_\_\_\_\_, seconded by Councilperson \_\_\_\_\_, to approve the foregoing resolution.

Roll Call: Schneider, Sexton, Rodgers, Redlinger, McGuire

### City Admin

---

**From:** Kevin Meller <kevinmeller26@gmail.com>  
**Sent:** Thursday, September 17, 2020 7:22 AM  
**To:** City Admin; Mayor  
**Subject:** Events in City Park

Good morning. Sorry for not getting this to you last night. I spaced it out getting the kids to bed and fell asleep myself.

I'd like to put together another movie night and a concert between now and the end of October. The dates would be on Saturdays. I would try to bring in two food trucks. I would also try to do them as two separate events if possible. The dates are TBD.

Total cost with movie/band and sound guy is approx \$1100.

- MovieNight
  - license approx \$300
  - sound \$100
- Concert
  - Band \$500
  - Sound \$100
- Misc
  - \$100

We will tackle social distancing by:

- not having seating set up near the stage. - have families bring blankets or chairs
- having a professional sound guy so we are not having inexperienced people having to troubleshoot to remember how to run the sound board.
- If it is deemed necessary we could spray paint markers of where to sit on the ground
- announce and remind people throughout the evening to social distance and wear masks when not possible
- scatter picnic tables throughout the park to keep large groups gathering to eat
- strongly encourage volunteers that are within six feet of each other to have on face masks

Other events:

- Many private businesses are hosting food trucks with bands - have done successfully without any reported outbreaks
- the last movie night in the Park in Riverside

We have found at the last movie night that Hall Park has the space to do social distancing.

Thanks,

Kevin

## COUNCIL PACKET

Date: September 9, 2020

To: Riverside Council

From: Bill Stukey, Operator

O & M Report: August 2020

### **Water Operation & Maintenance**

---

- Storm on 8-10-2020 did not affect power for most of town, but a large tree fell on the bike trail, causing a limb to twist some power wires together and drop one phase of power to lift stations 1 and 2. The generators for those stations ran continuously until 8-12-2020 when Alliant was able to remove the branch and restore full power.
- Consumer Co-op filled all the generators after power was restored. All generators are now full of fuel.
- I flushed hydrant no. 28 on Schnoebelen St. I had received a call about lightly rusty water.
- Well 8 VFD is installed and now fully operational again. I flushed the well thoroughly and have placed it back in service.
- I have sent out bid requirements to several well companies to put together a maintenance contract to inspect well 7. We should be inspecting each well every 3-5 years.
- 17 Door postings, 3 shutoffs. All shutoffs have been paid and turned back on.
- 24 locates, 1 emergency locate, 1 joint meet locate.

### **Wastewater Operation & Maintenance**

---

- I conducted a dye test on Edgar's floor drains and sump pumps to verify connection to storm drain. The floor drains are connected into the home's sanitary sewer and sump pumps have been connected into the new storm sewer.

COUNCIL PACKET

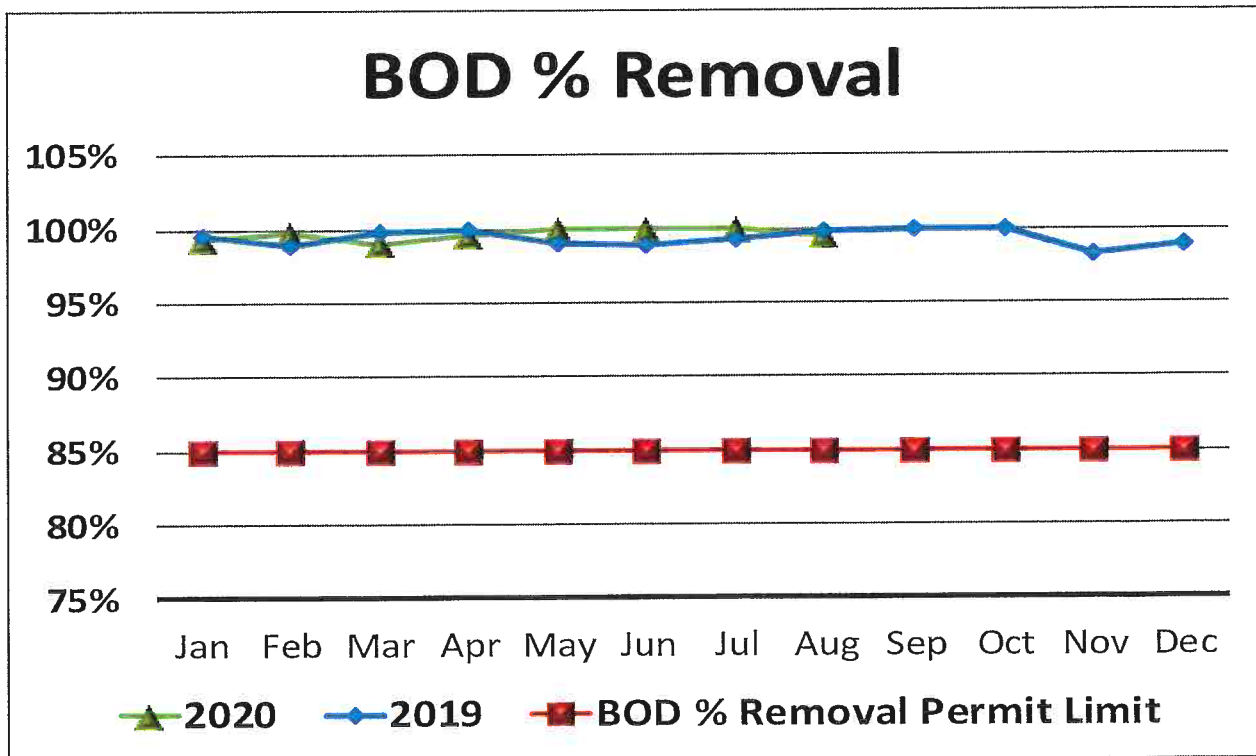

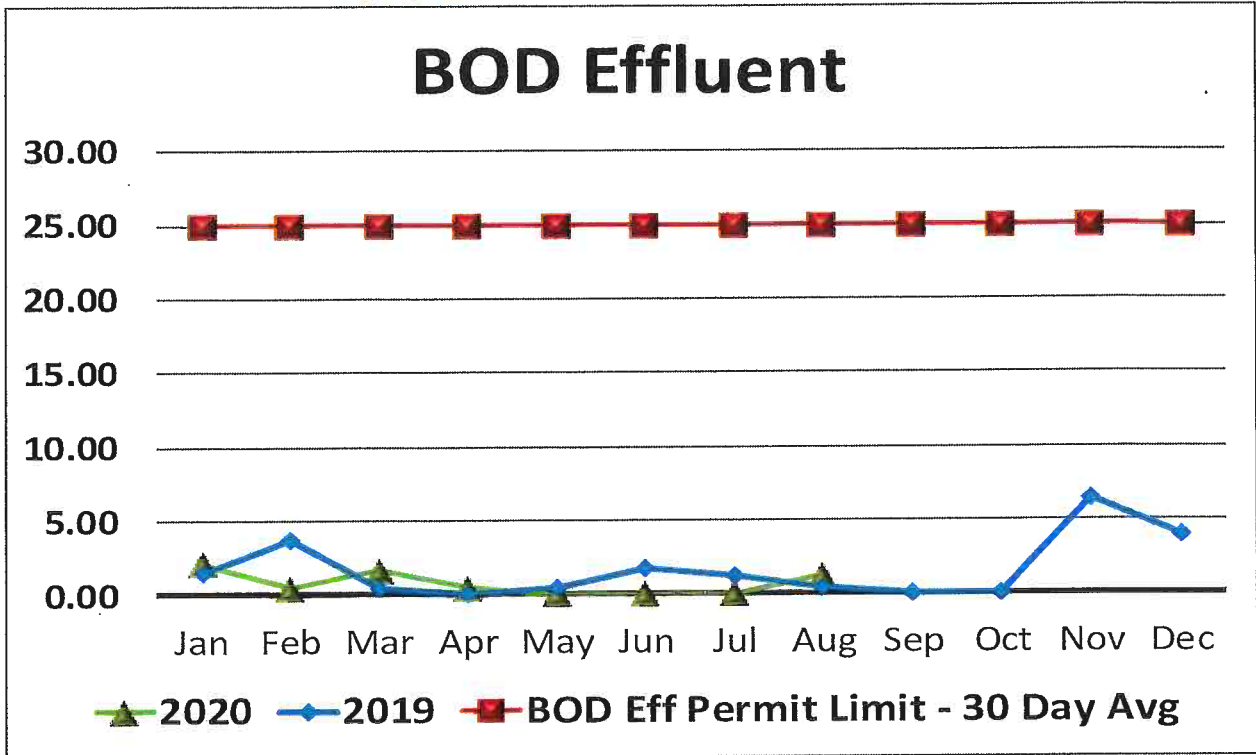

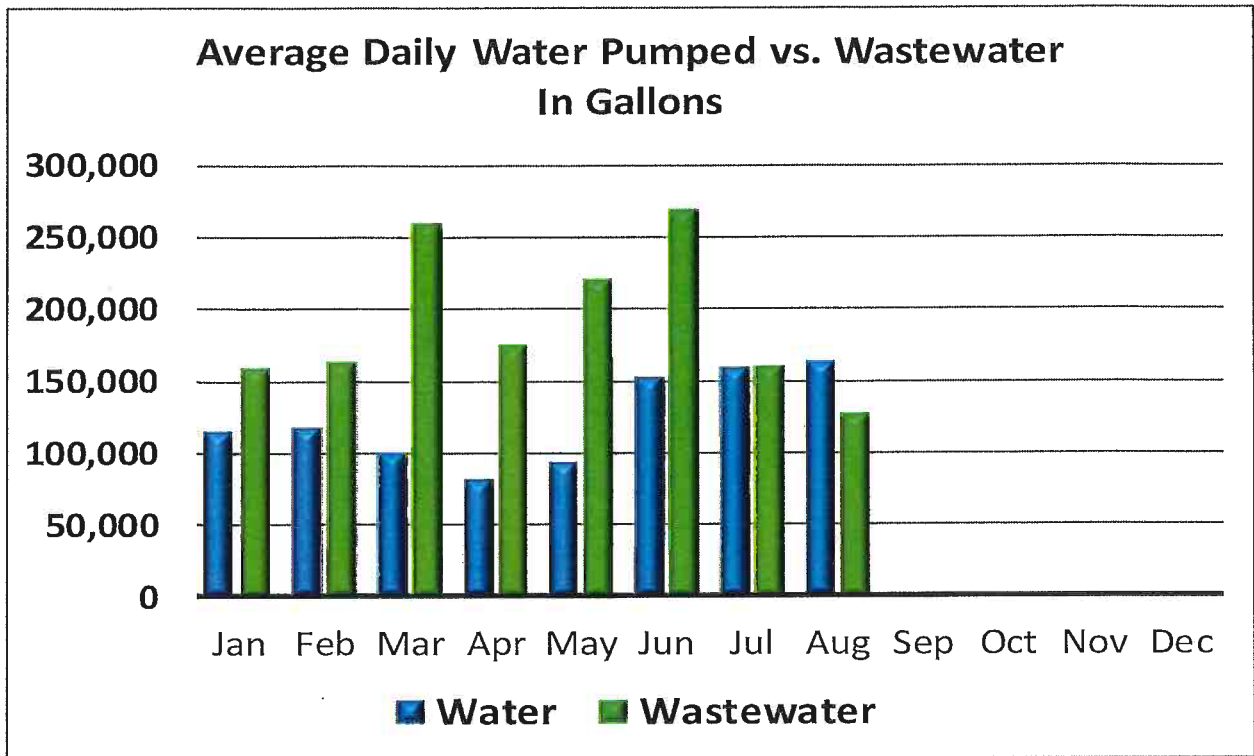

- I have been working with Engie to set up an RFP to dredge lagoon cell #1. They plan to have all bids in by 9-7-2020 and will be dredging the existing biosolids and lime sludge from cell one sometime this fall.

RESOLUTION #092120-02

RESOLUTION APPROVING CHANGE ORDER #7 TO  
J&L CONSTRUCTION FOR THE 4<sup>TH</sup> STREET PROJECT

**Whereas**, the City of Riverside City at the recommendation of the City Engineering Firm, MMS Consultants, Scott Pottorff and it is the opinion of the City Engineering Firm that the City Council accept this change order in the amount of \$750.00.

**Therefore**, be it resolved the City of Riverside City Council does hereby accept the Change Order #7 to lower the water service at 310 N rose Street.

It was moved by Councilperson \_\_\_\_\_ seconded by Councilperson \_\_\_\_\_, to approve the foregoing resolution.

**Roll Call:** Schneider, Sexton, Rogers, Redlinger, McGuire

Ayes:

Nays:

Absents:

**PASSED AND APPROVED** by City Council of Riverside, Iowa, on this 21st day of September, 2020.

Signed: \_\_\_\_\_ Date \_\_\_\_\_

Allen Schneider, Mayor

Attest: \_\_\_\_\_ Date \_\_\_\_\_

2245-045

**4th Street Improvements Project  
 Change Order #7**

The following changes to the contract are requested to lower the water service at 310 N. Rose Street.

There are existing bid items which cover some of the work in this change. Other parts were done on a time and materials basis as shown on the attached sheet. The changes required are as follows:

**EXISTING ITEMS**

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Granular Driveway Surfacing, Class A Crushed Stone	3 TONS	\$30.00	\$90.00

**NEW ITEMS**

<u>Item</u>	<u>Est Quantity</u>	<u>Unit Price</u>	<u>Total Estimated Cost</u>
Lower Water Service at 310 N. Rose Street	1 LS	\$660.00	\$660.00
<b>TOTAL CHANGE</b>			<b>\$750.00</b>

**Change to the Contract**

This change order would add the above quantity to the the above item in the contract and add the above item to the contract and increase the amount of the contract by \$750.00.

**Reason for changes**

When the grade was cut down for the sidewalk at the NW corner of the intersection of 4th Street and Rose Street, the contractor checked the depth of the existing water service and found it to be too shallow. They lowered the service line from the curb stop to behind the proposed retaining wall to ensure enough cover to protect from freezing. The granular material was used to help backfill the trench to prevent settling.

**Sent:** Wednesday, September 16, 2020 8:22 AM  
**To:** admin@cityofriversideiowa.com  
**Subject:** Potential Extras for Safe Routes to Schools

We had discussed some potential extras on the Safe Routes to School project. I wanted to summarize them here for discussion at the Council meeting Monday night.

There was a total of 480 CY of topsoil and per the plans the same amount of excavation (dirt was hauled off to make room for the topsoil). Plan quantity for both is 400 CY. The unit prices and extra costs would be as follows:

Excavation	80 CY	\$40.00/CY	\$3,200.00
Topsoil	80 CY	\$53.00/CY	\$4,240.00

There may be extra sod as well. Craig is tying down the area of the sod today so will have info on this later today or tomorrow. They have claimed 108 SQ extra of sod above the plan quantity although we are pretty certain it is not that much. Unit price for sod is \$70/SQ so if they are correct it could be as much as \$7,560 extra on sod. Again we don't think it is that much but will have more information on this later this week and in time of the Council meeting for sure.

I wanted to get the cost impact information to you so it could be included in the packet for the meeting.

Let me know if you have questions.

**Scott Pottorff, P.E.**

### City Admin

---

**From:** Chad Smothers <chadsmothers.cs@gmail.com>  
**Sent:** Thursday, September 10, 2020 8:43 AM  
**To:** City Admin; Mayor  
**Subject:** RFD New Pickup

I am providing some information and pictures of what the pickup for RFD would look like. We got bids on Chevy and Dodge trucks. The Dodge is no longer available and the new ones won't be available until March of 2021. The Chevy would have a 6-8 week build time and would be a 2021 model. We would like to have this vehicle up and going before winter so my recommendation is the Chevy. I provided the bids to Christine for everyone to see the price. The money for this truck will come from our equipment replacement account which has been built up over the several years of money not spent out of our yearly budget. The following is estimates of cost and where the money would come from. I plan to attend the council meeting on the 21st to ask for approval of truck purchase. This vehicle will work for our EMS, Grain Bin & Water Rescue equipment. I know we had \$300,000 budgeted for an ambulance but we all know that idea is on hold. I would like to see us keep that money available for an ambulance or another future vehicle. This vehicle can be used in multiple areas and could replace our suburban also. If you have questions let me know.

COUNCIL PACKET

Truck \$34,000 equipment replacement account  
Warning lights & siren \$10,000 equipment replacement account

## COUNCIL PACKET

Topper, Slide Out, Graphics and Vehicle accessories \$15,000 RESA

**Sent:** Monday, September 14, 2020 12:00 PM  
**To:** City Admin; 'Kelly Litwiller'  
**Subject:** Re: trick or treat night

Undecided in kalona but I'd assume something like Wellman.

Thanks

---

**To:** Ryan Schlabaugh <rschlabaugh@cityofkalona.org>, 'Kelly Litwiller' <cityadministrator@cityofwellman.com>  
**Subject:** trick or treat night

Hi,

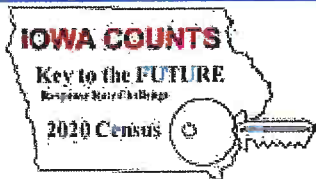

What are your communities doing for Halloween? I talked to Council about checking with both of you, so hopefully we can be the same so one community doesn't get inundated.

Thanks,

*Christine Yancey*

# FALL HOME IMPROVEMENT

With the growth of business, the number of staff employed by The Appliance Barn is grown from 12 to 24. Above Brylee's desk is a sign that reads, "The harder you work the luckier you get." He has similar signs throughout the store to keep his dedicated staff motivated.

In order to keep up with the growth of customers, both consumer and commercial, Brylee and they will have to build a new warehouse somewhere in Kalona.

When he was 21 years old, shortly after he married Landon's daughter Ramona, Brylee drafted a succession plan. He worked two years in inventory and in sales for five years, and during two years as a manager. Landon retired in 2012, leaving Brylee drawing trucks.

Brylee managed the business for two years before he purchased it in 2012, working out a purchase agreement with Ken and Landon. Ken continues to work as service manager.

After living in Iowa City for the past several years, Brylee and Ramona have purchased a new home on J Avenue in Kalona and are having it remodeled before moving in. "We definitely need the kitchen redone to include the smart appliances that we sell," he said.

"We both grew up in Kalona and graduated from IMS," Brylee said.

"We want our children to grow up here and attend the local schools." Their children are Kate, 6; Sybil, 4; and Jude, 2.

## How to host a socially distant trunk-or-treat

Halloween celebrations are social by nature, so celebrants will have to get creative if they want to show off their costumes and cash in on candy in 2020.

- Host the event in a big parking lot where it's easy to stay socially distant. Trunk-or-treats can take place in suburban neighborhoods, but that might make it difficult for participating kids and their parents to stay six feet apart from other families. If possible, arrange to host the event in a large, empty parking lot so kids can walk from one car to the other without compromising social distancing regulations. Make sure cars are at least six feet apart, and ideally even further apart so families can comfortably maintain their distance from one another.

- Limit participants. Organizers should limit the number of participants so everyone involved can safely stay six feet apart. If the event will

be in a large parking lot, encourage parents to sign up early and let them know only a limited number of cars will be allowed to park in the lot and participate in the event.

- Create an age-specific schedule. An age-specific schedule can help participants have fun and reduce their exposure to other people. Halloween 2020 is on a Saturday, so trunk-or-treat organizers can stagger the times kids are out and about throughout the day.

- Encourage all participants to wear masks. The Centers for Disease Control and Prevention notes that masks can slow the spread of COVID-19 by protecting Halloween celebrants from people who have the virus but are asymptomatic. Masks also can reduce the likelihood that asymptomatic people unknowingly spread the virus to others. Parents and youngsters participating in trunk-or-treat events should wear masks.

## COUNCIL PACKET

and other ornamental features.

- b. Gutters and downspouts.
  - c. Awnings and canopies.
  - d. Bay windows.
2. Air-conditioning equipment.
  3. Uncovered decks, patios and stoops which are at least ten (10) feet from any lot line.
  4. Retaining walls which are at least three (3) feet from the rear lot line.
  5. Non-nuisance landscaping, vegetation, arbors, trellises, flagpoles and the like shall be allowed in all yards.
- D. **Yards and Visibility.** On a corner lot in any district, nothing shall be erected, placed, planted or allowed to grow in such a manner as materially to impede vision between a height of three and ten feet above the centerline grades of the intersecting streets in the area bounded by the street lines of such corner lots and a line joining points along said street lines twenty feet from the point of the intersection (see Visibility Diagram in the appendix).

6. **Decks.** A permit is needed for the construction of any deck whether it is attached to the house or not. Each application for a deck permit shall be submitted prior to the installation of the deck and shall be approved or denied by the Zoning Administrator.

7. **Driveways.** All driveways from the paved portion of the street to the garage, carport or off-street parking area and loading zones shall be paved with asphalt or Portland cement concrete pavement, as approved by the City, and shall be so graded and drained to dispose of all surface water accumulation within the area. A driveway shall be a minimum of 10 feet width at the street and meet all City of Riverside design standards.

### 8. **Off-street Parking and Loading.**

- A. **Off-Street Parking:** All off-street parking areas shall be paved with asphalt or Portland cement concrete pavement as approved by the City, and shall be so graded and drained to dispose of all surface water accumulation within the area. This requirement shall not be enforced during periods of declared snow emergency pursuant to Section 69.10 of the City Code. In addition, all uses shall meet the following standards for off-street parking areas:
1. **Churches:** one (1) parking space on the lot for each 5 seats in the main auditorium.

## COUNCIL PACKET

2. Colleges, universities, institutions of higher learning, and equivalent private or parochial schools: one (1) parking space for each employee and one (1) parking space for each five (5) students.
3. Dwellings: two (2) parking spaces on the lot for each dwelling unit in the building.
4. Elementary, junior high, high school and equivalent private or parochial schools: one (1) parking space for each employee and office plus one (1) parking space for each 300 square feet of gross floor area in auditorium or gymnasium and one parking space for each ten (10) students.
5. Greenhouses and nurseries: one (1) parking space per 1,000 square feet of enclosed floor area.
6. Hotels and motels: one (1) parking space per room plus one (1) parking space for each employee.
7. Nursery schools: one (1) parking space per employee.
8. Offices/clinics: one (1) parking space per 300 square feet of gross floor area.
9. Public buildings and facilities: one (1) parking space for each 300 square feet of gross floor area or one (1) parking space for each 5 seats in the main assembly area, whichever is greater.
10. Roadside stands: one (1) parking space for each 50 square feet of enclosed floor area.
11. Sales and service buildings: one (1) parking space per 300 square feet of gross floor area.
12. All other commercial uses shall provide one (1) parking space on the lot for each 300 square feet of floor area.
13. All industrial uses shall provide one (1) parking space on the lot for each two (2) employees of maximum number employed at any one time.

B. Off-street Loading: All off-street loading areas shall meet the following standards:

1. All activities or uses within each zoning district shall be provided with adequate receiving facilities accessible by motor vehicle off any adjacent service drive or open space on the same zoning lot.
2. Loading shall not be permitted to block public right-of-way.

9. **Sign Regulations.** The following regulations shall apply to all zoning districts:

- A. No sign may be lighted in a manner which impairs the vision of the driver of any motor vehicle.

# COUNCIL PACKET

City of Riverside  
Administrator Report  
September 21, 2020

- Staff is holding daily meetings from 8:00-8:15, 8:30 to discuss the tasks for the day and any updates on projects. We practice social distancing.
- Washington zoom meetings for updates
- Phone meetings with council members
- Payroll review
- Agenda prep
- Code Update
  - Sent to the attorney for review-**done**
  - 7/20 set Public Hearing for 8/3-**done**
  - 8/3 Public Hearing, 1<sup>st</sup> reading-**done**
  - 8/17 - 2<sup>nd</sup> reading-**done**
  - 9/8 – 3<sup>rd</sup> reading-**done**
  - 9/24 – publish
- Nuisance issues
- Project update emails
- Nesper Sign-possible sign at fire station
- Review of past due water bills
- Phone calls from letters on weeds/brush
- Worked on FEMA/State COVID and Derecho Grants
- COVID, Cares webinars
- Checked on parking in City Code
- Checked on ATV requirements per state code
- Notified successful grant applicants
- Worked with ITC-trail replanting
- New member for Trail Committee
- Applied for reimbursement for Safe Routes to School
- Research on wording for publication for code
- Meeting with staff on weeds, tree trimming
- Worked with mayor on possible ambulance donation, prepare for council meeting

## Public Works:

- Mowed parks, ball diamonds
- Don watering flowers, weeding
- Cleaning, disinfecting bathrooms 2/day
- Cleaning equipment and shop
- Emptied trash in parks and downtown
- Get park ready for Shop the Park
- Installed door sweeps at city hall and fire department
- Weeding at all parks
- Ordered new Building Code books
- Maintenance on generator
- Mulched trees in parks

## COUNCIL PACKET

- Working with electrician on Delta Shield project, city hall lights
- Graded roads at Hall Park
- Met with Overhead Door-shop door malfunction
- Jay-fence permit
- Jay-Temporary permit for Dollar General
