February 2022 Update

Calls for Service:

- Medicals – 14
- Fire Alarms – 1
- Motor Vehicle Accidents - 6
- Brush Fires - 2

Total calls – 23 calls for service in February

Training:

The members trained on rope rescue operations in a joint training with Kalona FD for the 2nd night of skills. The members also had monthly training on firefighter safety and survival, RIT operations.

RESA:

The planning for the breakfast started the breakfast will be in person on Sunday April 10th at RFD 630am to Noon.

Other News

The members worked on some station projects for cleaning and draining hose. They also worked on some new training props. The Chief has been working with the county to increase effective response for building fires. This is a project with dispatch and the Sheriff to update the CAD (computer aid dispatch) system that's used for dispatching calls. The new brush truck was taken over to Feld Fire in Carroll, IA for the skid unit, pump, tank, lights, siren and center console to be installed. This will complete this new truck and we hope to have it back to show off at the breakfast. The RFD annual report will be given to City Council on March 21st by Chief Smothers.

I would ask that if anyone ever has questions to reach out to the command staff and ask them, prior to making decisions or statements about RFD.

Serving Proudly

Thanks
Chief Smothers

COUNCIL PACKET

COUNCIL PACKET

Date: March 9, 2022

To: Riverside Council

From: Bill Stukey, Operator

O & M Report: February 2022

Water Operation & Maintenance

- We made temporary repairs to a 10" schedule 80 pipe elbow that cracked. We have ordered replacement parts, but the flanges were back ordered and will be here in early March to replace the fitting. We made the temporary repairs with a pipe repair tape to slow the leak down while the plant is running and help control the flow of water.
- Ben and I both attended an online class for Iowa One Call.
- We had a water main break outside of 151 E 3rd St. We were able to control the flow of water and conduct a live repair, eliminating the need for a boil advisory. I was notified in the morning of a possible water line break, but we were unable to get an excavator here to dig until 1PM that day. We found the old 4" cast main had cracked around the pipe and was 4 feet deep. Break was most likely caused by the temperature fluctuations that week.
- I installed a meter at 501 Galileo Dr. for a new house under construction.
- We changed oil and greased the high service pumps at the clear well per annual maintenance.
- We had 6 door postings and 3 shut offs for the month. All have been reconnected.
- 3 locates and 1 emergency locate.

Wastewater Operation & Maintenance

- Iowa Pump installed the new VFD for lift station 5. They had supply issues and the VFD took longer than expected to arrive.

COUNCIL PACKET

- While Iowa Pump was here I had them take an SBR pump from the plant in for evaluation. They have found the bearing inside has been destroyed and damaged the housing and will need to replace the pump. I have a spare pump installed while I wait for a quote on a new pump.
- I was called out for a phase failure alarm at lift station 4. During troubleshooting procedures, we found the motor saver relay had gone bad and wouldn't allow the pumps to run. I bypassed the relay and have a new one on order.

Dear Heather,

The City of Riverside has an unpaid balance on property you own at 231 E 3rd Street, parcel #04-17-105-005, in Riverside, Iowa. The balance is as follows:

\$92.59 balance due on 12/15/2021
\$74.79 balance due on 1/15/2022
\$167.38 Total in arrears

To avoid further action, **you must pay the account in full by 12:00 pm (noon)** thirty days from the date of this notice in the form of cash, certified/personal check, or money order, personally delivered to the city hall between the hours of 8:00 a.m. and 4:30 p.m. or placed in the drop-off box located at 60 N Greene St. You also have the option to pay by Credit/Debit Card (Mastercard, Visa, or Discover) in person at City Hall or by phone at 319-648-3501 or on our website, between the hours of 8:00 a.m. and 4:30 p.m. There will be a \$3.00 minimum, or 2.65% convenience fee assessed to all card payments.

You have the right to a hearing. To schedule a hearing call 319-648-3501 between the hours 8:00AM and 4:30 p.m. no later than five (5) full business days (Monday through Friday, excluding holidays). If you make a timely request for a hearing, the hearing will occur at 60 N Greene St. The hearing officer shall be the City Administrator Christine Yancey, or her designee. If you fail to make a timely request for a hearing, your right to a hearing is waived.

Subject to the provisions of #384.84(4), Iowa Code, the City intends to certify a lien on real estate or income offset for unpaid water/sewer/trash service rates and charges. Also, since you have been disconnected, a reconnection fee of \$75.00 will be applied before water can be restored.

If you have questions or need additional information about the intended disconnection, you may contact the City Administrator at the following telephone number: 319-648-3501

If you have already made your past due payments, please disregard this notice!

I ACCEPT the PowerGard Protection

I DECLINE the PowerGard Protection

Customer Signature

If declined, I fully understand that my equipment listed above is not covered for repair expenses due to component failures beyond the original basic warranty period provided by John Deere.

Note : This is not a contract. For specific PowerGard Protection coverage terms and conditions, please refer to the actual PowerGard Protection Plan contract for more information and the terms, conditions and limitations of the agreement.

What PowerGard Protection is :

The PowerGard Protection Plan is an **extended warranty** program for reimbursement on parts and labour for covered components that fail due to faulty material or original workmanship that occur beyond the John Deere Basic Warranty coverage period. The agreement is between Deere & Company and the owners of select John Deere Commercial and Agricultural equipment, who purchase the PowerGard Plans for the desired coverage as indicated in this proposal.

What PowerGard Protection is not :

PowerGard Protection is not insurance. It also does not cover routine maintenance or high wear items, or insurance-related risks/perils such as collision, overturn, vandalism, wind, fire, hail, etc. It does not cover loss of income or loss of value of crops during or after an equipment failure. See the actual product-specific PowerGard Protection Plan agreement for a complete listing of covered components, and limitations and conditions under the program.

Features/Benefits:

PowerGard protection include the following features and benefits under the program :

- Pays for parts and labour costs incurred on failed covered components (less any applicable deductibles),
- Does not require pre-approval before repairs are made by the authorized John Deere dealership,
- Payments are reimbursed directly to the dealership with no prepayment required by the contract holder.
- PowerGard Protection agreements ensure that only Genuine John Deere Parts are used in all repairs,
- PowerGard coverage is fully transferable to future owners, with no transfer fees when coverage remains,
- PowerGard ensures higher resale value and makes equipment more marketable during the sale or trade-in,
- PowerGard allows you to budget your total cost of ownership, with financing available through John Deere Credit or other sources,
- PowerGard helps prevent large, unexpected repair bills during later years of equipment ownership, in exchange for a smaller protection fee up front.

Series 5: T654, T734

Tractors to upgrade your productivity

When the animals have to get fed, when the chores have to get done, when the hay has to get moved, you can rely on a TYM compact utility tractor to provide the productivity you need to get through the things you have to do, so that you have time to do the things you really want to do. TYM compact utility tractors are built tough to provide the power and durability you need to use your tractor for years to come.

Standard Features

16x16 synchronized shuttle or power shuttle

Sixteen forward and reverse speeds (including four creeper speeds) makes it easy to find the right speed to get the job done. Power shuttle models include an electronic forward/reverse switch, allowing smooth, clutchless changes of direction. This reduces operator fatigue and allows for easier front-end loader work.

Premium operator experience

The T654 and T754 cabins are designed for comfort, with suspension seating and ergonomically arranged controls to allow for all-day comfort with reduced fatigue. Heat and air conditioning allow operators to keep working regardless of the outside temperature.

4-cylinder Deutz turbocharged engine

Deutz is one of the oldest and most trusted names in engine manufacturing, and the Deutz TCD 2.9 water-cooled diesel engine provides exceptional reliability and performance.

Upgraded three-point hitch system

The three-point hitch on the T654 and T754 comes with Category II extendable link ends. Both link ends can be adjusted to ensure the attached implement is level. Draft control is standard, allowing the height of the implement to adjust automatically with ground conditions to ensure consistent performance and reduce wear on the tractor.

Adjustable drawbar

The drawbar can be adjusted to make it easier to work with pull-behind implements. The drawbar pins can be set to offset the drawbar to the left or right for better centering or load distribution, or the pins can be removed to allow the drawbar to swing freely for easier turning with an implement attached.

Accessible grease points

Tractors have a lot of moving parts, from the front axle to the back. The joints that allow this movement can wear down if not properly maintained. To ensure the life of your tractor, TYM has grease points at critical joints to allow for proper lubrication.

Meet the models

T654—67.1 gross hp

The T654 is ideal for operators needing more power and lift capacity than a compact tractor provides. It is an excellent chore tractor and has a 1000 RPM mode for some PTO-driven rear attachments, particularly with hay production.

T754—74.3 gross hp

The T754 provides additional raw work capability, with nearly 1,000 lbs additional hitch capacity and a larger loader bucket.

Options

TYM compact utility tractors are available with options that increase productivity and enable the tractor to function in harsh environments.

- Engine block heater
- 3rd function kit
- Turbocharger de-icing kit (required for extreme cold environments)

Contact your local TYM dealer for more information on options, including limitations on option compatibility.

Attachments

TYM manufactures attachments that extend the capabilities of each model. Consult your local TYM dealer for more information and for compatibility questions. In addition, your local TYM dealer may have additional attachments and accessories to fit your needs and intended use cases.

Front-End Loader

The workhorse of tractor attachments, the front-end loader with bucket makes many common tractor chores possible. TYM Series 5 tractors feature mechanical self-leveling loaders. Ballasting may be recommended for certain applications.

COUNCIL PACKET

Welcome to the City of Riverside team!

We hope you will find a great deal of challenge and personal satisfaction in your employment with the City of Riverside. You have an important role in accomplishing the goals of the City. The City has a proud tradition built on the excellence of its employees and their work. We challenge you to help maintain and improve our tradition.

As a City employee, it is very important that you always present the best possible image to the public. Remember to act promptly, be courteous and treat people, our customers, respectfully. Your actions will make a lasting impression. Be sure it is a positive one.

Employment – At – Will

This handbook is presented as a matter of information only; it is not intended to form a contract between the City of Riverside and the employee. Riverside reserves the right, with council approval, to change or eliminate any or all the policies, procedures, work rules, or benefits herein at any time. Employees will receive notice of any changes.

The policies and procedures outlined in this handbook are applicable to all employees of the City of Riverside.

Whenever the provision of this handbook conflicts with the Code of Iowa, the provision of the Code of Iowa will prevail.

Just as an employee retains the right to terminate their employment at any time for any reason, Riverside retains a similar right. No policy or practice of the City should be construed to change this relationship. Only the City Council has the right to modify or change this practice, and such action must be in writing.

This handbook replaces all employee handbooks and amendments issued prior to the date of this handbook upon Council approval by resolution. Documents issued prior to this date should be discarded.

The policies contained in this Handbook may not address every situation or answer every question concerning employment. If an employee is unable to find an answer to their question in the handbook, contact the City Administrator for assistance.

COUNCIL PACKET

Equal Employment Opportunity

The City of Riverside is strongly committed to equal employment and opportunity (EEO) and to the benefits that come from a diverse work force.

It is the objective of the City of Riverside to encourage employment and advancement of all individuals in a way that will utilize their talents to the maximum and develop their skills most effectively in a work and community environment that is free from discrimination.

Riverside has a policy to provide equal opportunity for all where employment is based upon personal capabilities and qualifications without discrimination because of race, color, religion, sex, age, national origin, sexual orientation, gender identity, disability, or any other protected characteristic as established by law.

This policy of equal employment opportunity applies to all policies and procedures relating to recruitment and hiring, compensation, benefits, promotion, termination and all other terms and conditions of employment.

Harassment

It is the policy of the City of Riverside that no employee be harassed by another employee, customer, supervisor, based on race, color, religion, sex, age, national origin, sexual orientation, gender identity, disability, or any other protected characteristic as established by law.

Harassment, whether verbal or physical, will not be tolerated. All members of management have the explicit responsibility and duty to take corrected action to prevent harassment of our employees.

If an employee believes that he or she has been subjected to harassment, that employee should the matter directly to the immediate attention of the City Administrator. If the person the employee believes is involved in the harassment is the City Administrator, the concern can be taken to the mayor or a member of the City Council. All complaints will be investigated, and appropriate disciplinary action taken, up to and including termination. There will be no retaliation against anyone who submits a good faith harassment complaint or participates in an investigation relating to such a complaint.

Sexual Harassment

It is the policy of the City of Riverside that no employee be harassed by another employee or supervisor based on sex.

The policy prohibits any demand for sexual favors that is accompanied by a promise of favorable job treatment or a threat concerning the employee's employment. Also prohibited are subtle pressures for sexual favors, including implying that an applicant's or employee's cooperation of a sexual nature, or refusal thereof, will have any effect on the person's employment, job assignment, wages, promotion, or any other condition of employment.

In addition, any behavior of a sexual nature not welcomed by the employee or found to be personally offensive is expressly forbidden. This includes but is not limited to:

- a. Repeated sexual flirtations, advances, or propositions.
- b. Continued or repeated verbal abuse of a sexual nature, sexually related comments and joking, graphic or degrading comments about the employee's appearance or the display of sexually suggestive objects or pictures.
- c. Any uninvited physical contact or touching, such as patting, pinching, or other contact.

COUNCIL PACKET

- d. Conduct that has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Sexual harassment, whether verbal or physical, will not be tolerated. All members of management have the explicit responsibility and duty to take corrective action to prevent any sexual harassment of our employees.

As with other forms of harassment, any employee who believes that they have been subjected to sexual harassment should bring the matter directly to the immediate attention of their department head or the City Administrator. If the person the employee believes is involved in the harassment is the City Administrator, the concern can be taken to the mayor or a member of the City Council. All complaints or reports of sexual harassment will be investigated, and appropriate disciplinary action taken, up to and including termination. There will be no retaliation against anyone who submits a good faith sexual harassment complaint or participates in an investigation relating to such a complaint.

Employee Relations/Chain of Command

The City of Riverside believes in an atmosphere of trust, cooperation, and respect with our employees. To achieve this goal, we maintain an open-door policy that is intended to encourage open communications and to quickly settle differences, misunderstanding, or complaints. Normally, the initial contact should be with the City Administrator.

If an employee is not satisfied with the response from the City Administrator, the next step would be to contact the Mayor. Experience has shown that when employees deal openly and directly with their immediate supervisor, the work environment can be excellent, communications can be clear, and attitudes can be positive. The City of Riverside is committed to responding effectively to employee concerns.

The City Administrator is under the direction of the Mayor, who is directed by the City Council. All other employees report directly to the City Administrator. It is the City Administrator's responsibility to inform city employees when not available and notify them of who to report to during absences. During emergency situations, employees are expected to take direction from the City Administrator or the Mayor.

Veteran's Preference

Any honorably discharged veteran, as defined by Iowa law, shall be entitled to preference in appointment and employment over other applicants of no greater qualifications.

Military Leave

Employees with military obligations will be granted leave of absence in accordance with applicable federal and state laws.

Disability Accommodations

The City of Riverside is committed to complying fully with the Americans with Disabilities Act (ADA) and the Americans with Disabilities Act, Amendment Act (ADAAA) ensuring equal opportunity in employment for qualified persons with disabilities. All employment practices and activities are conducted on a non-discriminatory basis.

Reasonable accommodation is available to all disabled employees, where their disability affects the performance of job function. All employment decisions are based on the merits of the situation in accordance with defined criteria, not the disability of the individual.

COUNCIL PACKET

Employee Medical Examinations

The City of Riverside may require medical and drug-screening examinations upon offer of employment with the City for certain positions. Candidates applying for positions with the City of Riverside will be informed of the need for these medical and drug-screening examinations as a condition of employment. This is to ensure that the prospective employee is free from illegal drugs and physically capable to perform the requirements of the job for which he/she has been hired. The City of Riverside covers the cost of the drug screening and medical examination. The offer of employment and assignment to duties is contingent upon satisfactory completion of the exams.

Conflict of Interest

The City of Riverside requires all employees to conduct business in a manner that does not present an actual or potential conflict of interest.

Transactions with outside entities must be conducted within acceptable standards of operation. Business dealings with outside entities are not to result in unusual gains for those firms, the employee, or both. Unusual gain refers to bribes, product bonuses, special fringe benefits, unusual price breaks and other windfalls designed to benefit the employee, the outside entity, or both. Promotional plans that could be interpreted to involve unusual or liberal incentives to potential customers to gain business require specific approval by the Riverside City Council.

An actual or potential conflict of interest occurs when an employee can influence a decision that may result in a personal gain for that employee or for a relative or friend because of the City of Riverside's business dealings. For the purposes of this standard, a relative is any person who is related by blood or marriage, or whose relationship with the employee is like that of persons who are related by blood or marriage.

No "presumption of guilt" will be made by the mere existence of a relationship with outside entities. However, if an employee has any influence or transactions involving purchases, contracts, or leases, it is imperative he/she immediately discloses to his/her supervisor or City Administrator the existence of any actual or potential conflict of interest. The City of Riverside shall then attempt to establish safeguards intended to protect all parties.

Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which the City of Riverside does business, but also when an employee or relative receives any kickback, bribe, substantial gift, or special consideration because of any transaction or business dealing involving the City of Riverside.

The materials, products, designs, plans, ideas, and data of this organization are the property of the City of Riverside and should never be given to an outside firm or individual except through normal channels and with appropriate authorization. Any improper transfer of material or disclosure of information, even though it is not apparent an employee has personally gain by such action, constitutes misconduct. Any employee participating in such activity may be subject to corrective and/or legal action, including discharge.

Nondisclosure of Confidential Information

The protection of confidential City information is vital to the interests and the success of the City of Riverside. Employees shall not disclose or use any confidential information during or after their employment with the City of Riverside.

COUNCIL PACKET

Additionally, our citizens and suppliers entrust the City of Riverside with important information relating to their businesses. The nature of this relationship requires maintenance of confidentiality. In safeguarding the information, the City of Riverside earns the respect and further trust of our residents.

If someone questions an employee outside the City of Riverside or their department and the employee is concerned about the appropriateness of giving him or her certain information, the employee is not required to answer. Instead, as politely as possible, refer the request to the City Administrator.

Business Ethics and Conduct

The Iowa Ethics and Gift Law governs the acceptance of gifts, conflicts of interest, hiring relatives, transacting of private business with a public employer, and acquiring urban renewal land by city officials.

Under Iowa Law, an employee is not allowed to accept any gifts with a value of more than \$3.00 per day from the following types of restricted donors:

- Those seeking to do business with the City
- Those engaged in activities which are regulated or controlled by the City

The success of the City of Riverside depends upon the quality of the relationships between the City, our employees, citizens, suppliers, and the public. In a sense, regardless of position, the employee is the City's ambassador. Below are several things' employees can do to help give residents a good impression of the City of Riverside.

- Act competently and deal with residents and the public in a courteous and respectful manner.
- Always communicate pleasantly and respectfully with other employees.
- Follow up on responsibilities and questions promptly, provide businesslike replies to inquiries and requests, and perform all duties in an orderly manner.
- Take pride in your work and enjoy doing your very best.

The successful business operation and reputation of the City of Riverside is built upon the principles of fair dealing and ethical conduct of our employees. Our reputation for integrity and excellence requires careful observance of the spirit and letter of all applicable laws and regulations, as well as a scrupulous regard for the highest standards of conduct and personal integrity.

The continued success of the City of Riverside is dependent upon our citizens' trust, and we are dedicated to preserving that trust. Employees owe a duty to the City of Riverside and its citizens to act in a way that will merit the continued trust and confidence of the public.

The City of Riverside will comply with all applicable laws and regulations and expects its Mayor, Council, and employees to conduct business in accordance with the letter, spirit, and intent of all relevant laws and to refrain from any illegal, dishonest, or unethical conduct.

In general, the use of good judgment, based on high ethical principles, will guide the employee with respect to lines of acceptable conduct. If a situation arises where it is difficult to determine the proper course of action, the matter should be discussed openly with the City Administrator for advice and consultation.

Compliance with this policy of business ethics and conduct is the responsibility of every Riverside employee.

Hiring of Relatives

The employment of relatives in the same area of the city of Riverside may cause serious conflicts and problems with favoritism and employee morals. In Addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships. Therefore, full-time employment of relatives of the City's supervisors, and general staff is discouraged.

For purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

To avoid possible conflicts, the City of Riverside does not allow employees to directly supervise their spouse, children, parents, brothers, sisters, grandparents, grandchildren, in-laws, or any person whose relationship with the employee is similar to that of persons who are related by blood or marriage, nor does the City allow employees to hold positions in which they can influence the pay or promotional opportunities of these relatives. In addition, the relatives of the City of Riverside employees cannot be transferred into such a reporting relationship.

In regard to the recruitment and employment of new employees, it is the responsibility of the City of Riverside's current employees to promptly inform the City Administrator of any family relationship which may exist between the applicant and the employee.

If the relative relationship is established after employment, an immediate decision must be made by the affected individuals regarding the preference for the person who will be transferred or terminated. The City Council will make the final decision.

Exceptions to this policy may be considered for part-time or temporary, seasonal work during the summer months. The City Council will review other exceptions on a case-by-case basis.

Residency Requirement

All personnel are required to reside within 20 miles of the City of Riverside city limits. Any change of address from their current address will require the employee to comply with the residency requirement as set out above. Any changes must be reported to the City Administrator immediately.

Employment Categories

The City of Riverside will maintain defined employment categories as follows for the determination of benefits eligibility, termination procedures, and other employment-related functions.

Regular Full-Time: An employee who has successfully completed his/her probationary period and who works an average of 30 or more hours per week. Individuals employed as regular full-time are eligible for offered benefits subject to the terms, limitations, and conditions of each benefit plan.

Regular Part-Time: An employee who has successfully completed his/her introductory period and who works less than 30 hours per week.

Temporary/Seasonal: An employee who is hired to work on an as-needed basis, either full-time or part-time. Employment assignments in this category are of a limited duration. Employment beyond any

COUNCIL PACKET

initially stated period does not in any way imply a change in employment status until the employee is specifically notified of a change.

Each employee is designated as either nonexempt or exempt from federal and state wage and hour laws. Nonexempt employees are entitled to overtime pay under the specific provisions of federal and state laws. Exempt employees are excluded from specific provisions of federal and state wage and hour laws.

Probationary Period

The first 90 days of employment with the City of Riverside are considered a probationary period and during that period employees will be eligible for benefits as described in this handbook. Employees will be eligible for health care insurance coverage on the first day of the next month after the first 30 days.

The probationary period will be a time to get to know fellow employees, supervisor, and the tasks involved with the position, as well as becoming familiar with the City of Riverside's services. During this probationary period, the City of Riverside will evaluate the employee suitability for employment, and the employee can evaluate the City as well. Please understand, however, that completion of the probationary period does not guarantee continued employment.

At the end of the probationary period, the supervisor will discuss job performance with the employee. This review will be similar to the job performance review that is held for regular full-time or part-time employees on an annual basis and will be documented and placed in the employee personnel file. The City Administrator will recommend to the City Council whether to retain the person being reviewed as a permanent employee or terminate employment.

A former employee, who has been rehired after a separation from the City of Riverside of more than one year, is considered a probationary employee during their first 90 days following rehire.

Employee Files

Employee files are the property of the City of Riverside and access to the information contained within them is confidential and restricted. Employee files include such documents and forms necessary to meet the legal and administrative requirements of employment. Employees may review information in their employment file with reasonable advance notice, provided the request is received in writing and is signed by the employee. Employee files may be reviewed only while in the presence of the records custodian, the City Clerk. The area where city files are stored is a controlled access area.

The City of Riverside requires each employee to promptly notify the City Administrator or City Clerk, in writing, of any changes in personnel data. Personal mailing addresses, telephone numbers, changes in federal/state tax withholdings, the names of individuals to be contacted in the event of emergency, educational accomplishments, and other status reports must be accurate and current at all times.

Job Posting

The City of Riverside provides employees an opportunity to indicate their interest in open positions and advance within the organization according to their skills and experience. In general, notices of all regular, full-time job openings are posted for a minimum of ten (10) days.

COUNCIL PACKET

Job openings will be posted on the bulletin board in City Hall. Each job posting notice will include the date, job title, location, job summary, essential duties, and qualifications (required skills and abilities).

The City of Riverside reserves the right to use other recruiting sources to fill open position at their discretion.

Performance Evaluation

Formal employee performance reviews will be held on an annual basis. Employees are strongly encouraged to discuss their job performance and goals on an informal basis to provide both management and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage, and recognize strengths, and discuss positive, purposeful approaches for meeting goals. The City Administrator will meet with the Employee Committee on an annual basis to determine the recommendation of employee status to the City Council.

General areas of interest to be covered by the City Administrator during evaluations may include but not be limited to the following: initiative and teamwork, attendance, problem solving skills, attitude, punctuality, and professional development. Job specific areas of interest may also be discussed during the evaluation. The City Administrator will work with each employee to set certain goals and benchmarks based on the employee professional strengths and areas of needing improvement. The City Administrator will have an annual evaluation with the entire council.

Employee Benefits

The City of Riverside provides various benefits to eligible employees.

Leave benefits are offered to regular full-time employees.

Pro-rated leave benefits are offered to regular part-time employees whose regular work schedule is between 20-29 hours per week, averaged over the monthly pay period, according to the following schedule:

- 0-19 hours of work per week No benefits
- 20-29 hours of work per week 50% of regular benefits
- 30+ hours of work per week Full benefits

Hours of part-time employees will be reviewed quarterly to verify that the employee is working the required number of hours to be eligible for leave benefits.

Individual program eligibility is dependent upon the requirements of each specific benefit plan. Employee benefit programs are explained in detail in this section. Additional information regarding all benefit programs is available upon request from the City Administrator or City Clerk.

Regular full-time employees of the City of Riverside are eligible to participate in the City's Group Health Insurance, Life Insurance, Dental Insurance, and Disability Insurance programs. Some benefit programs require contributions from the employee; however, other benefits are fully paid by the City.

Benefits Continuation (COBRA)

The City of Riverside allows employees and their qualified beneficiaries, presently enrolled, the opportunity to continue health insurance coverage under the City's group plan, as required by law. Employees are eligible when a "qualifying event" would normally result in the loss of eligibility. Qualifying events may include

COUNCIL PACKET

resignation or termination of employment, death or disability of an employee, a reduction in an employee's hours or a leave of absence, an employee's divorce, or legal separation, and/or dependent child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary will be required to pay the full cost for coverage at the City's group rates plus an administrative fee.

Eligible employees are notified in writing of their rights under COBRA when the employee becomes eligible for coverage continuation. For more information regarding this benefit, please contact the City Administrator or City Clerk.

Bereavement Leave

If an employee wishes to take time off due to the death of an immediate family member, the employee must notify his/her supervisor immediately. Eligible employees may be granted up to 5 workdays of paid bereavement leave set forth below to attend the funeral and make any necessary arrangements associated with the death. The City Administrator reserves the right to allow non-consecutive days of bereavement leave.

- | | |
|--|--------|
| • Spouse | 5 days |
| • Children (including stepchildren) | 5 days |
| • Parent(s) (including stepparents) | 5 days |
| • Domestic partner | 5 days |
| • Brother or Sister | 5 days |
| • Grandmother or Grandfather | 3 days |
| • Grandchildren | 3 days |
| • Father-in-law or Mother-in-law | 3 days |
| • Brother-in-law or Sister-in-law | 3 days |
| • Grandfather-in-law or Grandmother-in-law | 3 days |
| • Aunt or Uncle | 1 day |
| • Aunt-in-law or Uncle-in-law | 1 day |
| • Niece or Nephew | 1 day |

The employee may, with the approval of the City Administrator, use any available paid leave for additional time off. The hours of bereavement leave will not be utilized in the calculation of overtime.

Educational Leave/Certification Reimbursement

The City of Riverside believes in assisting its employees in professional development and will consider all requests for certification and educational reimbursements.

Educational Opportunities

Employees may request reimbursement (tuition and books) for certain educational endeavors. The request should be submitted to the City Administrator prior to starting the class. The City Administrator, and/or the City Council will ultimately make the approval for reimbursement. All requests are subject to the following requirements:

- The course shall directly relate to the operations of the City.
- The work must be completed in an officially accredited educational institution.

COUNCIL PACKET

- The employee shall successfully complete the course. Successful completion is defined as passing the course with a grade of C or better. An A, B, or C will be reimbursed at 100%; any grade below a C will not be reimbursed. Pass/fail classes will be reimbursed at 100% if the employee passes the course; if employee fails, they will not be reimbursed.
- Participation in any course shall not impede an employee's work performance nor interfere with normal designated work hours unless approve by the City Administrator.
- Full reimbursement to the City is required if the employee fails to successfully complete the course or withdraws after the deadline for refunds.
- A copy of any certificate obtained through City finance training must be given to the City Administrator or City Clerk within 30 days of completion.

These requirements also comply to continuing education classes that might be needed to keep certifications current.

Upon completion of any course or training, the employee will present a written report to the City Administrator. This report will explain the benefits that he/she gained from the enrollment in the course or training and how it applies to their position within the City.

Certification

The City of Riverside will provide the necessary time, expenses, and tuition for employees whose duties require certification to attend the basic training course to obtain the valid professional certificate. The City reserves the right to select the course that an employee may attend.

Membership fees for professional organizations, endorsement fees, and required license expenses related to the employee's duties or position will be covered by the City if mutually beneficial to both the City and the employee. The City Administrator and/or City Council will decide which fees and expenses the City will reimburse.

Personal Leave of Absence

In certain cases, the City of Riverside may allow an unpaid leave of absence for personal reasons. The employee should request a leave of absence from the City Administrator. If the City honors such a request, that employee will not be compensated for time that is not worked. At any time, the City may require written documentation regarding why the leave of absence is being requested. A personal leave of absence may be granted for up to 30 days. If the employee leave is extended to more than 30 calendar days, benefits may stop accruing at the discretion of the City Administrator, and if the leave is for the City Administrator, at the discretion of the Mayor and/or City Council. If the employee does not return at the agreed upon date, then termination of employment shall result.

Absence without permission after three days is considered job abandonment and will result in a voluntary resignation.

COUNCIL PACKET

Health/Dental Insurance

The City of Riverside's health and dental insurance plans provides employees access to medical and dental insurance benefits. Regular full-time employees are eligible to participate in the health insurance plan. Eligible employees may participate in the health and dental insurance plans subject to all terms and conditions of the agreement between the City of Riverside and the insurance carrier.

The City of Riverside will pay 100% for the single health/dental plan; 90% for the family health/dental plan with the employee responsible for the remaining 10% health/dental insurance premiums.

A change in employment classification that would result in loss of eligibility to participate in the health and dental insurance plans may qualify an employee for benefits continuation under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contact the City Administrator or City Clerk for additional information regarding health and dental insurance benefits.

The City reserves the right to change the amount of its contribution at any time and change insurance carriers at any time, which may lead to a change in benefits available. Employees will be notified of any changes as soon as practical.

Sick Leave Benefits

Sick leave accruals may be used for the following reasons:

- Personal illness or injury which renders the employee unable to perform the duties of their position.
- Illness of a member of the employee's family, including spouse, child, or parent necessitating the employee to be in attendance.
- Medical, dental, or optical appointments, which cannot be scheduled during non-working hours.

All City of Riverside employees will accrue sick leave pay in the following manner:

- Regular full-time employees shall accumulate sick leave at the rate of eight (8) hours per month of completed employment up to a maximum of 480 hours.
- Regular part-time employees, whose regular work schedule is 20-29 hours per week may accumulate sick leave on the pro-rated schedule set forth previously.

Sick leave shall not count as time work for the computation of overtime.

Pregnancy-Maternity/Paternity Leave

An employee who is disabled because of the employee's pregnancy, childbirth, or related medical conditions, will be granted a leave of absence during the period of the disability, up to a maximum of eight (8) weeks. Up to three weeks is allowed for paternity leave. An employee who wishes to use pregnancy-maternity/paternity leave must provide timely notice of the period of leave requested.

COUNCIL PACKET

Family and Medical Leave (FMLA)

The Family Medical Leave Act required employers who employ fifty (50) or more employees to provide up to twenty-six (26) weeks per year of unpaid job-protected leave for certain family and medical reasons.

Life Insurance

Life insurance offers the employee and family important financial protection. The City of Riverside provides a basic life insurance plan for eligible employees and will pay 100%.

Accidental Death and Dismemberment (AD&D) insurance provides protection in cases of serious injury or death resulting from an accident. AD&D insurance coverage is provided as part of the basic life insurance plan.

Regular full-time employees may participate in the life insurance plan subject to all terms and conditions of the agreement between the City of Riverside and the insurance carrier.

Details of the basic life insurance plan and AD&D, including benefit amounts, are available by contacting the City Clerk.

Short and Long-Term Disability

The City of Riverside will provide and pay 100% for Short and Long-Term Disability to regular full-time employees. Information regarding these benefits is available by contacting the City Administrator or the City Clerk. Eligibility to participate in the disability insurance program is determined by the carrier not by the City of Riverside.

Accident Reporting/Workers' Compensation Insurance

Any Employee who sustains a work-related injury or illness must inform their supervisor immediately, no matter how minor the injury or illness may appear. In all cases, an injury/incident report must be completed with the City Clerk and signed by the employee within twenty-four (24) hours of the injury or illness. Based on the circumstances associated with the injury or illness, the employee may be eligible for compensation according to the state's work disability laws and regulations. The City reserves the right to request that an affected employee see a physician chosen by the City for verification of workers' compensation injuries or disabilities.

Neither the City nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, social, or athletic activity sponsored by the City.

Holidays

The City recognizes eleven (11) holidays as listed below:

- New Year's Eve Day
- New Year's Day
- President's Day
- Memorial Day
- Independence Day
- Labor Day
- Veterans Day

COUNCIL PACKET

- Thanksgiving
- Friday after Thanksgiving
- Christmas Eve Day
- Christmas Day

The City of Riverside will grant paid holiday time off to all regular full-time employees and to regular part-time employees whose regular work schedule is twenty (20) to twenty-nine (29) hours or more per week, the holiday pay will be pro-rated according to the schedule set forth in "Employee Benefits" section. Holiday pay will be calculated based on the employee's straight time pay rate (as of the date of the holiday) times the number of hours the employee would regularly have worked on that day.

If a recognized holiday falls on a Saturday or Sunday, the holiday is observed on the previous Friday or following Monday.

If an eligible non-exempt full-time employee works on a recognized holiday, the employee will receive wages at straight-time rate for the observed holiday, plus wages one and one-half times their straight-time rate for the hours worked.

Holiday pay shall not count as time worked for the computation of overtime.

Compensatory Time

Compensatory time may be taken in lieu of overtime. Compensatory time will be calculated at one- and one-half hours per one hour worked past forty hours in a workweek. The use of compensatory time hours will not be utilized in the calculation of overtime. If at all possible, compensatory time should be used in the same pay period and will be reviewed on a case-by-case basis. Compensatory time shall be exhausted prior to the use of accrued vacation.

Vacation

The City of Riverside shall make available vacation time off with pay to regular full-time employees for the opportunity of rest, relaxation, and personal pursuits. Vacation time off with pay will be available to regular part-time employees whose normal work schedule is between 20-29 hours per week according to the pro-rated schedule set forth previously.

Vacation benefits are calculated based on the employee's employment anniversary date. Accrual rates are as follows:

- | | | |
|-----------------------------|-----------|--|
| • 0-1 year | 40 hours | (Vacation is accrued at 1.54 hours/pay period) |
| • 1 year + 1 day-5 years | 80 hours | (Vacation is accrued at 3.10 hours/pay period) |
| • 5 years + 1 day-10 years | 120 hours | (Vacation is accrued at 4.62 hours/pay period) |
| • 10 years + 1 day-20 years | 160 hours | (Vacation is accrued at 6.16 hours/pay period) |

Upon resignation or retirement, unused vacation will be paid when employee leaves. The employee is allowed to carry over a maximum of 80 hours of vacation each year beginning January 1st. New employees begin accruing vacation on first day worked and are eligible to take only the vacation hours that have been accrued and the requirements of the probationary period have been met.

Vacation days may be taken in hourly increments. Employees must request time off in writing utilizing the city's request form. All forms are to be submitted to the City Administrator for approval prior to utilizing available

COUNCIL PACKET

vacation time. Requests should be made with at least one-week prior notice and will be reviewed for approval based on factors including but not limited to business needs and staffing requirements.

Vacation time off will be paid at the employee's base pay rate at the time of vacation.

Employees who fail to provide a two-week notice of voluntary separation shall not be paid out for accrued, but unused vacation.

Vacation used shall not count as time worked for the computation of overtime.

Personal Days

- Regular full-time employees are awarded two (2) personal days each calendar year, determined by the beginning of each calendar year.
- Regular part-time employees, whose regular work schedule is 20-29 hours per week, will be pro-rated according to the schedule set forth in Employee Benefits.
- New employees are not eligible for Personal Days prior to completion of probationary period.
- Employees must request approval for time off from the City Administrator prior to utilizing available Personal Days. The request must be submitted in writing, using the City's Time Off Request Form.
- The employee must take all Personal Days prior to January 1st of each year.
- An employee whose services are terminated shall receive pay for any Personal Days earned and not previously taken.
- If, during a week in which an employee is scheduled to use a Personal Day they are required to work, the personal hours will be considered as time worked for the purpose of determining overtime.

Jury/Witness Duty

The City of Riverside provides paid leave to regular full-time employees summoned to serve as a juror or required by law to appear in court as a witness. Exceptions to this benefit would include those employees summoned as witnesses for personal lawsuits initiated by the employee or immediate family members. Employees may elect to take vacation leave to cover these absences and then are entitled to keep any compensation received from the Court. If the employee elects to have these hours counted as hours of work, then the City will reimburse the difference between the employee's normal rate of pay and the compensation received from the court. Proof of compensation is required.

- **Less than a Full Day:** Hours spent serving on jury duty occurring during the employee's normally scheduled business hours will be considered for pay purposes as hours worked.
- **Full Day:** A full workday spent on jury duty will be considered for pay purposes as hours worked.
- **Full Week:** A Full week, Monday through Friday, spent on jury duty will be considered 40 hours worked.

COUNCIL PACKET

Employees are required to provide a copy of the applicable summons or subpoena to the City Administrator prior to receiving approval for the leave under this policy. Employees are expected to report for work whenever the court schedule permits. The city of Riverside continues to provide health and dental insurance benefits during jury/witness leave for those individuals eligible and enrolled at the time of leave, subject to the requirements of each plan.

Accrual for benefit calculations (i.e., holiday benefits, vacation accrual, and other leaves) will not be affected during an portion of jury/witness duty leave.

Business Travel/Travel Expenses

The City of Riverside will reimburse employees, Mayor, and Council Members for reasonable business travel expenses incurred while on assignments away from the normal work location. All business travel must be approved in advance by the City Council.

Employees with approved travel plans are responsible for making their own travel arrangements and are expected to limit expenses to reasonable amounts. When approved travel is completed, employee should submit completed travel expense reports within thirty (30) days, accompanied by receipts for all individual expenses. The actual costs of travel, lodging, and other expenses directly related to accomplishing business travel objectives will be reimbursed by the City of Riverside. Mileage will be approved and paid at the current IRS rate.

Daily meal expenses are limited to \$50/day, based on the following limits:

- Breakfast \$10.00
- Lunch \$15.00
- Dinner \$25.00

Employees must leave home by 7:00 a.m. to charge for breakfast and be gone until 6:00 p.m. to charge for dinner. In no circumstance will the City of Riverside reimburse for alcohol or beyond 20% gratuity. Gratuity is part of the daily \$50.00 limit.

Employees who are involved in an accident while traveling on business must promptly report the incident to their immediate supervisor. If the employee is found negligent due to alcohol or drug impairment, the City's insurance policy will not provide coverage. Vehicles, owned, leased, or rented by the City of Riverside may not be used for personal use without prior approval.

Employees should contact the City Administrator for guidance and assistance regarding procedures related to travel arrangements, expense reports, reimbursement for specific expenses, or any other business travel issues.

Abuse of this business travel policy, including falsifying expense reports to reflect costs not incurred by the employee, can be grounds for disciplinary action.

Paydays

Employees are paid on a bi-weekly basis. If a payday falls on a holiday, payment shall be made on the preceding regular workday. Newly hired employees will be notified upon hire as to the date of their first paycheck. No employee will receive an advanced paycheck for hours not previously worked.

COUNCIL PACKET

Pay Deductions

The City of Riverside makes deductions from every employee's compensation as required by law. In the event a court order is issued requiring the City to withhold money from an employee's paycheck(s), the order will be honored, and the employee notified of the court ordered deduction. All pay deductions will be made in accordance with the federal and state law limits. If garnishments are served upon the City regarding a City employee, there will be a \$4.00 per garnishment fee deducted from the employee's check each payday until the garnishment is settled.

Lost or Stolen Paychecks

An employee that loses a paycheck or has a paycheck stolen shall immediately notify the City Clerk. In case of loss or theft, the City will attempt to stop payment and issue a new check after three (3) business days have passed. If the lost or stolen check does clear the bank, the replacement check will be held pending an investigation. Employees are solely responsible for the loss or theft of a check if the city cannot stop payment on the check.

Time Keeping

Federal and State laws require the City of Riverside to keep an accurate record of time worked to calculate employee pay and benefits. Time worked is calculated as the time spent on the job performing assigned duties. The workweek begins at 12:01 a.m. on Sunday.

Employees shall be designated as either NONEXEMPT or EXEMPT in compliance with federal and state wage and hour laws. NONEXEMPT employees will be entitled to overtime pay as required under the specific provisions of federal and state law. EXEMPT employees are excluded from specific provisions of federal and state wage and hours and, therefore, will not be entitled to overtime pay.

All nonexempt employees must accurately account for their time during the following periods:

- At the beginning and ending of the work schedule.
- At the beginning and ending of each meal period.
- At the beginning and ending of any split shift or departure from work for personal reasons.
- Any period of time utilized as paid benefit time.

Hours of Work

- The workweek shall consist of forty (40) hours per week for all City employees. An employee may deviate from the eight (8) hour day, with approval from the City Administrator. The supervisor may assign any additional hours required.
- Normal working hours for City Hall are 8:00 a.m. to 4:30 p.m. Monday through Friday.
- Normal working hours for maintenance employees are 7:00 a.m. to 3:30 p.m. Monday through Friday.

COUNCIL PACKET

- Non-exempt employees who work more than forty (40) hours per week will be requested to bank excess hours in compensatory time, unless the compensatory time is at the maximum allowed. Non-exempt employees may also be asked to adjust their work schedule to take time off during the week to maintain the forty (40) hours per workweek. If time off or compensatory time is not possible, hours worked more than forty (40) hours will be paid as overtime. All overtime must be approved by the City Administrator unless it is an emergency. The City of Riverside reserves the right to adjust schedules at the end of the workweek to limit the financial impact of additional hours of work.
- Working hours for seasonal and part-time employees will be at the discretion of their supervisors.
- Each employee will be granted two fifteen-minute rest periods during each workday at times scheduled by the supervisor.
- Any employee on an 8 ½ hour working day will take a ½ hour lunch break. All employees shall take a lunch break if they are scheduled to work five (5) or more consecutive hours. Approval from the supervisor must be given for employees to work through their lunch hour.

If any employee must be absent, the employee must call or text the City Administrator at the earliest possible time before the starting time of the employee's workday to report the reason for the absence. If the absence is unjustified or habitual, disciplinary action may be taken, including recommending to the Mayor and /or Council to terminate the employee. Three consecutive days of utilizing Sick Leave will require a slip from a medical practitioner stating the employee can resume their normal work duties.

Emergency Closing

At times, emergencies such as severe weather, fires, and power failures can disrupt the operations of the City of Riverside. In extreme cases, these circumstances may require the closing of City facilities.

Employees may be asked to work on the normally scheduled workday when operations are officially closed. In these situations, affected employees who work will receive their regular pay.

In the event an employee feels they cannot make it to work, the employee should notify the City Administrator by telephone or text as soon as possible, so availability of staff can be determined.

- If inclement weather strikes after a person has reported to work and the employee feels it is necessary to leave work early, the employee should discuss the matter with the City Administrator. If the employee makes the decision to leave, the time will be unpaid. The employee may use vacation, personal leave, or comp time to cover the absence.

Time lost due to inclement weather will be handled in the following ways:

- When operations are officially closed due to emergency conditions, the time off from scheduled work will be paid.
- The City Administrator or Mayor has the authority to close City operations, and the employees shall be paid.

During a declared emergency, employees may be asked to perform duties outside their normal job description.

COUNCIL PACKET

Overtime

Employees may be requested and/or scheduled to work overtime hours. Reasonable attempts are made to notify employees in advance of mandatory overtime assignments. All overtime hours to be worked must be approved by the City Administrator.

Only time spent on the job performing assigned duties will be considered time worked for the purpose of calculating overtime. Hours taken as vacation, holiday, sick leave, or personal days are not counted in the calculation of overtime.

If an employee is called out to work after their normal shift on evenings or weekends, the employee is guaranteed two (2) hours of overtime for the call out.

It is the preference of the City of Riverside that overtime be banked as compensatory time versus being paid out. Employees may have up to, but not more than, 80 hours of compensation time accrued at any one time.

Safety

The City of Riverside takes all reasonable steps to ensure a safe work environment and compliance with federal, state, and local safety regulations. The City is sincerely interested in the safety and welfare of its employees and customers. It is important for employees to take reasonable steps to avoid accidents that may involve themselves, co-workers, or customers.

Employees are expected to abide by all safety rules, guidelines, and policies and to exercise caution in all their work activities. It is each employee's responsibility to have reviewed and be following the City of Riverside's current procedures.

- It is the City's policy to comply with all applicable federal, state, and local health and safety regulations and to provide the most safe and healthful work environment possible for employees. Each supervisor will provide their employees with information and identify the protective equipment available should there be a safety concern for your position. Employees are expected to comply with all safety and health requirements whether established by management or law. Employees are encouraged to submit suggestions concerning safety and health matters. Behavior, which is likely to result in bodily harm to an employee on City premises, will not be permitted.
- Hard hats shall be always worn when there is a potential for any object or piece of equipment to fall upon or strike an employee. Hard hats are mandatory when working with the backhoe or inside a confined space.
- Safety glasses shall be worn when there is a potential for flying objects or debris. This includes, but is not limited to, lawn mowing, weed whipping, street sweeping, painting, sawing, spraying, working underneath equipment, burning, and working inside confined spaces.
- Safety vests shall be worn as needed.
- Protective clothing shall be always worn when there is a potential for contact with HIV or Hepatitis B virus. Refer to the OSHA manuals, which are located at the Street and Parks maintenance building.

COUNCIL PACKET

- The City will provide special clothing or equipment when such is required by regulation. Employees are responsible for the proper use and maintenance of the clothing and equipment and will be subject to discipline for failure to do so.

Smoking/Vaping/Smokeless Tobacco

The City of Riverside seeks to provide a smoke-free environment. Therefore, smoking, vaping and smokeless tobacco is prohibited in all City-owned buildings and City-owned vehicles. Smoking, vaping, and smokeless tobacco is prohibited in any non-designated area. Supervisors may designate areas for smoking, vaping, and smokeless tobacco outside of City-owned facilities but only those areas that do not present a fire hazard and only in areas that are away from entrances.

Use of Equipment and Vehicles

Equipment essential to accomplishing the duties is often expensive and may be difficult to replace. When using the City of Riverside's property, employees are expected to exercise care, perform required maintenance, and follow all operating instruction, safety standards, and guidelines.

Please notify the City Administrator if any equipment, machines, or tools appear to be damaged, defective, or in need of repair. Prompt reporting of damages, defects, and the needs for repairs will prevent deterioration of equipment and possible injury to employees or others. The City Administrator or your supervisor can answer any questions about an employee's responsibility for maintenance and care of equipment used on the job.

All employees are required to leave their work area clean at the end of their shift or workday.

Employees are prohibited from using any city owned vehicle or equipment for personal reasons. Employees may not take any vehicle or equipment to their residence without direct authorization from the City Administrator. City vehicles are never to be utilized for commuting to and from work.

Use of telephones, Mail Systems, Facsimile Machine & Copier

Please remember every employee is expected to successfully meet the duties and responsibilities of their positions. To maximize work activity and keep distractions to a minimum, employees should:

- Limit personal telephone calls to those of an emergency nature
- Not use the City's telephones for personal long-distance calls unless prior arrangements have been made for reimbursement to the City
- Adhere to the City's phone policy
- Not use the City's letterhead, postage, and supplies for personal use
- Not use the copier and fax machines for personal benefit

Use of Computer, E-Mail & Cellular Phone

The City of Riverside has made every effort to provide its employees with the most up-to-date technology that is currently available and access to cellular phones, computers, and more specifically, electronic mail and the

COUNCIL PACKET

Internet. This policy is intended to advise those employees who have access to such technology as to what is inappropriate use of them.

The use of the City's electronic mail system shall not be used to solicit support for religious causes or affiliations. At no time will the electronic mail be used to create or distribute messages, specifically, messages containing racial slurs, sexual implications or innuendoes, or any message that could be interpreted as targeting any class that is established in the City's non-harassment policy. In addition, electronic mail cannot be used to download copyrighted material without prior authorization.

The City maintains the right and ability to inspect and review any data that is electronically stored on City computers or associated software. There should be no expectation on the part of the employee that any information on such City property will be considered private or proprietary in nature. Furthermore, the City does not have to give advance notice when reviewing or accessing any employee's electronically stored documents.

Any employee who violates this policy or uses the electronic communication systems for any other improper purposed may be subject to discipline, up to and including termination.

City provided cell phones are for city business only. Please limit any other calls to emergency situations only.

Drug and Alcohol Use

The City of Riverside is committed to providing a safe and productive environment for those individuals employed by and the individuals affected by its operations through commitment to a drug-free workplace.

All employees must be mentally and physically fit for duty and will report to the City Administrator any health situation or use of prescription or nonprescription medications which may inhibit the ability to perform their required job duties. Any employee regarded as unfit for duty for any reason will not be permitted to work until it is determined said employee is free from impairment and fit and able for duty.

The City prohibits the presence, use, consumption, possession, sale, manufacturing, or distribution of illicit drugs or alcohol by employees under all the following conditions:

- During working hours
- On City premises or work site location
- During City-related business
- While operating City vehicles
- During the representation of the City at any function, whether at the expense of the City
- Intoxication during the time stated above due to prior use and consumption

The presence, consumption and/or possession of alcohol may be permitted for those of legal age, during a City-sponsored event held on or off the premises. Permission may also be granted to those representing the City at a specific function, whether or not at the expense of the City. At no time shall a minor be allowed the privilege of this exception. The City Administrator may restrict or revoke an individual's privilege under this exception if found necessary for the safety of the individual and/or others.

COUNCIL PACKET

Dress Code

A well-groomed and professional appearance for all employees is essential to maintaining a healthy public image. Every employee is responsible for presenting a positive image to the people that we serve.

The City shall provide a \$500 clothing allowance for uniforms, coats, jackets, and \$150 boot allowance per year. Items purchased by an employee will be reimbursed after the receipt is turned into the City Administrator for approval. Protective clothing, safety equipment, and protective devices, which are required by the City to be worn or used by an employee shall be provided for the employee. The City Administrator will use their discretion in determining the proper uniforms, clothing, and protective devices needed by employees.

Clothing Guidelines

All attire worn by City employees shall be practical and appropriate for each individual position. Apparel shall be task oriented and determined based on circumstances for each job. All clothing should be clean and in good repair and must abide by any state and federal regulations when required by OSHA and applicable laws.

Employee Conduct and Work Rules

The City of Riverside required employees to follow rules of conduct that will assist in ensuring a quality, productive work environment, and protect the interests and safety of all employees and the City.

Formal disciplinary actions will include verbal warning, written reprimand, suspension, and/or termination. It shall be the policy of the City of Riverside to utilize a system of progressive discipline in addressing an employee's work deficiencies; however, any of the disciplinary measures cited above may be initiated on the more serious first offense.

Disciplinary action will be issued in a manner which will minimize embarrassment to the employee.

All disciplinary actions will be thoroughly documented in writing appropriate to the infraction committed. A copy should then be given to the employee, and a copy maintained in the employee's personnel file. If the action involves an employee covered by a collective bargaining agreement, said agreement may also required a copy be sent to the appropriate union steward.

It shall be the duty of all employees to maintain high standards of conduct, cooperation, efficiency, and effectiveness in their work. The City Administrator shall organize and direct the work of their employees in a manner calculated to achieve these objectives. Whenever the work habits, attitude, production, or personal conduct of an employee falls to below an acceptable standard, the employee is subject to corrective and/or disciplinary action. All such actions shall be promptly and consistently administered and shall not be on account of political considerations, personal bias, or prejudice.

Letters of clarification shall precede formal discipline whenever, in the judgment of the City Administrator, an infraction is readily correctable and is of lesser consequence.

The seriousness of an offense will often vary with the circumstances prevailing at the time it occurred and the motives, which prompted it. Related and mitigating factors would be considered when determining the appropriate action to take. Each of the following work-related infractions may be just cause for disciplinary action, up to and including dismissal. The list presented herein is not intended to be all-inclusive.

- Theft or unauthorized removal or possession of City property or the property of another employee or client. Permission must be obtained prior to removal of any materials or equipment from the premises.

COUNCIL PACKET

- Presence on City premises while under the influence of alcohol or illegal controlled substances.
- Possession, distribution, sale, transfer, or use of alcohol or illegal controlled substances, look-alike drugs and drug paraphernalia, misuse of legal or prescription drugs in the workplace, on City premises, on work site (on or off duty), or while operating City-owned vehicles or equipment.
- Financial participation, actively or otherwise, in a competitive employer or working for a competitor without prior City consent; working for another employer which in any way lessens attendance, efficiency, or reputation of the City.
- Disorderly conduct, use of abusive language, fighting, threatening bodily injury, engaging in horseplay or immoral conduct.
- Boisterous or disruptive activity in the workplace.
- Holding back, hindering, or limited production.
- Inattention to duties, loafing, or sleeping on the job or elsewhere during working hours.
- Dishonesty, deception, fraud, theft, damage to or defacing of City or citizen's property using City machinery or materials for commercial or personal purposes.
- Negligence or improper conduct leading to damage of city-owned or citizen's-owned property, excessive scrap, inferior work, or wasting materials or supplies.
- Insubordination or other disrespectful conduct or conduct tending to bring disrespect to the City.
- Violation of safety or health rules.
- Failure to report an accident or the removal, locking out, or making inoperative any safety device.
- Sexual or other unlawful harassment.
- Possession of dangerous or unauthorized materials, such as explosives or firearms, in the workplace.
- Excessive absenteeism or any absence without notice.
- Unauthorized absence from workstation or worksite during the workday.
- Unauthorized use of telephones, fax, mail system, or other City-owned equipment or vehicles.
- Unauthorized disclosure of confidential business information.
- Violation of City rules or standards.
- Unsatisfactory performance or conduct.

COUNCIL PACKET

- Solicitation in work areas during working time.
- Inappropriate grooming or dress.
- Utilization of city owned vehicles, equipment and or supplies for personal use.
- Workplace violence.
- Failure to report critical information to the City Administrator that would jeopardize the security, safety, and welfare of the City and employees.
- Failure to provide truthful information or all pertinent information during a workplace investigation.

Return of Property

Employees are responsible for all property, materials, or written information issued to them. Employees must return all City of Riverside property immediately at the time of their termination or upon request from the City.

Failure to return City of Riverside property on request or as required from an employee will result in disciplinary action steps, up to and including immediate termination of employment. Failure to receive City property from a terminated previous employee will result in legal action.

Social Media

Whistleblower Policy

Workplace Monitoring

Workplace monitoring may be conducted with or without the employee's knowledge by the City of Riverside to ensure quality control, employee safety, security, and customer satisfaction.

Employees can request access to information gathered through workplace monitoring that may impact employment decisions. Access will be granted unless there is a legitimate business reason to protect confidentiality or an ongoing investigation.

Because the City of Riverside is sensitive to the legitimate privacy rights of employees, every effort will be made to guarantee that workplace monitoring is done in an ethical and respectful manner.

Workplace Violence Prevention

The City of Riverside is committed to preventing workplace violence and to maintain a safe work environment. Given the increasing violence in society in general, the City of Riverside has adopted the following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on its premises.

COUNCIL PACKET

All employees, including temporary employees, should always be treated with courtesy and respect. Employees are expected to refrain from fighting, "horseplay", or other conduct that may be dangerous to others. Firearms, weapons and other dangerous or hazardous devices or substances are prohibited from the premises of the City of Riverside properties without property authorization.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to the City Administrator. When reporting a threat of violence, you should be as specific and detailed as possible.

All suspicious individuals or activities should also be reported as soon as possible to the proper city personnel. Do not place yourself in peril. If you see or hear a commotion or disturbance near your workstation, do not try to intercede or see what is happening.

The City of Riverside will promptly and thoroughly investigate all reports of threats of (or actual) violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action.

The City of Riverside encourages employees to bring their disputes or differences with other employees to the attention of the City Administrator before the situation escalates into potential violence. The City is eager to assist in the resolution of employee disputes and will not discipline employees for raising such concerns.

Return of Property

Employees are responsible for all property, materials, or written information issued to them. Employees must return all City of Riverside property immediately at the time of their termination or upon request from the City.

Failure to return City of Riverside property on request or as required from an employee will result in disciplinary action steps, up to and including immediate termination of employment. Failure to receive City property from a terminated previous employee will result in legal action.

Exit Interview

In a termination situation, the City of Riverside would like to conduct an exit interview to discuss your reasons for leaving and any other impressions that you may have about the City. During the exit interview, you can provide insight into areas within the City that you feel need improvement. Every attempt will be made to keep all information confidential. All city owned phones, laptops, equipment and keys will be turned in to the City Clerk prior to the exit interview.

Fiscal Year 2022-2023 Hotel-Motel Tax

Tax Fund Grant Program

- About the program

The Hotel-Motel tax grant application provides non-profit organizations a mechanism to be considered for funding allocations derived from hotel/motel tax grant revenues. The funds are gross receipt revenues from the renting of all rooms where accommodations are furnished to transient guests for rent. State Code governs the use of revenues derived from the tax. All entities, excepting governmental entities, must be non-profit as recognized by the Internal Revenue Code of the United States to be eligible for the consideration of the allocation of these funds. All recommendations on allocations shall be subject to City Council approval.

INCOMPLETE APPLICATIONS WILL BE DISQUALIFIED FROM CONSIDERATION

**City of Riverside City Hall
60 N. Greene Street
PO Box 188
Riverside, Iowa 52327**

History and Uses

The citizenry of the City of Riverside approved the implementation of the Hotel-Motel Tax in November of 2006 with the tax to become effective January 1, 2007. The percentage approved was seven percent and is imposed upon the gross receipts from the renting of any and all rooms, apartments, or sleeping quarters in any hotel, motel, inn, public lodging house, rooming house, tourist court, or in any place where sleeping accommodations are furnished to transient guests for rent. The intended use of the tax was to promote community development and tourism in Riverside.

State Code 423A.7 (4) (a) governs the use of revenue derived from the tax and provides that:

- 1) At least fifty percent of the revenues derived there from for the acquisition of sites for, or constructing, improving, enlarging, equipping, repairing, operating, or maintaining of recreation, convention, cultural, or entertainment facilities including but not limited to memorial buildings, halls, and monuments, civic center convention buildings, auditoriums, coliseums, and parking areas or facilities located at those recreation, convention, cultural, or entertainment facilities or the payment of principal and interest, when due, on bonds or other evidence of indebtedness issued by the County or City for those recreation, convention, cultural, or entertainment facilities, or for the promotion and encouragement of tourist and convention business in the City or County and surrounding areas.
- 2) The remaining revenues may be spent by the City or County, which levies the tax for any city or county operations authorized by law as a proper purpose for the expenditure within statutory limitations of City or County revenues derived from ad valorem taxes.

Eligibility and Allocation Procedures

All entities, excepting government entities, must be non-profit as recognized by the Internal Revenue Code of the United States to be eligible for the consideration of the allocation of these funds.

All recommendations on allocations shall be subject to City Council approval.

- 1) **Resolution:** Allows council members to allocate funding to requesting organizations through a resolution. Prior to allocating funding, organizations must provide written justifications for the funding requested. Justification would include how the funds will be spent, benefit provided to the City through funding their request, and the positive effect their organization will have on the community if the

COUNCIL PACKET

funding is granted. Eligible applicants would be defined as those organizations that qualify for one of the approved hotel-motel categories. Potential applicants for this funding would have a direct or clearly stated indirect potential impact on the future visitor or cultural enhancements. In addition, organizations submitting applications must provide compelling evidence as to why their particular “special project” should be funded.

COUNCIL PACKET

The meeting was called to order at 6:05pm. There were no corrections/additions to the minutes of January 7, 2022.

2.

Old business

a.

Jim Strabala: An obituary was circulated to members and some ideas for honoring his memory were discussed. We might try to plant a tree or engrave a bench on the Trail, but will take this up later in the spring.

b.

A meeting was held with Molly and Anna from The News to feature our event. They ran a nice article about the 150th and a copy was circulated.

c.

A meeting was held with St. Mary's members (Jim and Bobbie Rose, Barb Simon, Katie Simon, and Mary Jane). They will be meeting with Father and have good ideas and timeline to work from in writing an article. Jim Rose also has photos and gave us a disk with copies.

d.

A meeting was held with Ryan Schlabaugh and Roman Kiefer to start work on the historical booklet. Mary Jane and Christ will be meeting with them in the near future.

3.

New business

a.

Travis Riggan came to the meeting a little late but in time for the group to have a good discussion on Trek Fest plans. Travis will be lining up entertainment for that weekend and events/options were discussed that we could do that would work with their schedule. We talked about a car show, volleyball tournament for older people, Shop the Park, facial hair contest in 70s or 80s vintage, combined church service, local food and a Sunday afternoon band. All of these are subject to weather, but several could be combined with band breaks and announcements made from the stage. An event page on Facebook could piggyback on the RACC site to help promote activities.

a.

Letters have been returned from businesses to request ads/articles. It was sent out on Jan 7 and we are starting to work on material submitted. A list of businesses and people to follow up with is being made and second contacts will be made..

b.

Katie's submission: The historical business list has been added to the timeline we are using.

c.

The Time Capsule was done in 1989 but we could open it up during the 150th, add some items and close it back up for a reopening in another 25 years for the 175th anniversary of Riverside.

4.

The meeting was adjourned at 8:13pm by unanimous consent.

5.

The next meeting is Wednesday, March 2, at 6pm, in the Riverside History Center.
